ASSESSMENT TASK NOTIFICATION

Subject	Exploring Early Childhood
Topic	Core A: Pregnancy and Childbirth
Class Teacher	LYONS
Head Teacher	DRAY
Year	11
Date Given	Week 6
Date Due	Week 10
Weighting	25%

Assessment Outline

Task Description:

Prepare a word processed report that examines **one** of the following issues in detail. Your report should be typed and submitted via the Google Classroom with relevant illustrations should also be included. You must gather your information from at least 3 sources (eg Department of Health, AIHW, NSW Health). The report should be 750-1,000 words.

Select **ONE** of the following issues which may directly or indirectly harm the developing infant during pregnancy:

Select one from the following:

- Alcohol
- Tobacco
- Caffeine
- Prescription Drugs and other medication
- Illegal Drugs
- Poisonous chemicals

For the issues you have selected, answer the following questions :

1. Name the issue
2. Discuss in detail the symptoms and causes at various stages of the infant's growth – embryonic period and foetal period
3. Describe how the baby may be affected in any of the following areas: Emotionally, Physically, Intellectually (cognitively), or Socially.
4. From a reliable Australia resource, analyse the key trends for your chosen issue

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both classes.

Plagiarism:

Plagiarism, the using of the work of others without acknowledgement will incur serious penalties and may result in zero award. Any cheating will also incur penalties.

Failure to follow the above procedures may result in a zero award.

The policies and procedures that are outlined on the HSC Assessment booklet will be followed regarding the non-completion of assessment tasks.

Outcomes Assessed

1.1 Analyses prenatal issues that have an impact on development.

5.1 Analyses and compares information from a variety of sources to develop an understanding of child growth and development.

6.1 Demonstrates an understanding of the decision making process.

HOW TO WRITE YOUR BIBLIOGRAPHY

FROM A PRINT SOURCE	FROM THE INTERNET
<ul style="list-style-type: none"> - author name - title of the publication (and the title of the article if it's a magazine or encyclopaedia) - date of publication - the place of publication of a book - the publishing company of a book - the volume number of a magazine or printed encyclopaedia - the page number(s) 	<ul style="list-style-type: none"> - author and editor names (if available) - title of the page (if available) - the company or organization who posted the webpage - the Web address for the page (called a URL) - the last date you looked at the page

HOW TO SHOW EVIDENCE OF YOUR RESEARCH IN YOUR RESPONSE

For example: In the following, if you have referred to the AIHW and Health NSW, list them in your bibliography as -

1. AIHW
2. Health NSW

Then in your response, refer to them specifically as “..... Factors such as physical health, social wellbeing and exposure to harmful behaviours can influence health outcomes for both mothers and babies (1). There have been many organisations (2) that have been instrumental in addressing these harmful behaviours, in hope to reduce the negative health outcomes for mothers and babies in Australia...”

YOU MUST DO THIS PROCESS FOR ALL SOURCES OF INFORMATION USED.

EEC SUBMISSION REQUIREMENTS

- Each question to be printed on a separate page
- Size 11 font
- 1.5 spacing
- Narrow margins
- Task is to be submitted to the OHS library between 8.30am - 9.00am
- Bibliography is to be included on a separate page

MARKING CRITERIA

Marking Criteria	
22-25	<ul style="list-style-type: none"> ● Outstanding knowledge of the symptoms and causes of the harmful issues relating to the developing infant during pregnancy. ● Extensive explanation of these symptoms and causes at various stages of the infants growth (embryonic and foetal) ● Demonstrated superior understanding of the resulting disadvantages to the emotional, physical, intellectual and social development of the baby. ● Outstanding presentation of the issues using relevant illustrations. ● Extensive analysis of the key trends for your chosen issue ● Extensive communication of the harmful issues during pregnancy in an organised, logical & coherent manner, using appropriate technology.
