- GE4-8

#### Task Description

Students will complete an exam during week 6. The exam will consist of two parts:

\* **Part A** - which will involve the analysis and use of a **Stimulus Sheet** and involve the application of geographical skills and the analysis or interpretation of graphs or text material.

**Skills covered in Part A** - area references, key / legend reading, scale, relief, direction, distance, types of maps, types of photographs, latitude & longitude, analysis of information.

\* **Part B** - links to the topics studied in class which cover the following:

**Landscape and Landforms** - Students need to revise the content of relating to the geomorphological processes and forces that assist in the creation of landscape and landforms. Students also need to revise their **HAZARD ASSESSMENT** task from Term 3.

**Place and Liveability** - Students need to be aware of the factors and reasons that make places or countries liveable for people and also the student may need refer to an example or examples studied in class.

- **Absences:** If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases
- **Plagiarism:** Plagiarism, the using of the work of others without acknowledgement will incur serious penalties and may result in zero award. Any cheating will also incur penalties. Failure to follow the above procedures may result in a zero award.
- The policies and procedures that are outlined in the Assessment booklet will be followed regarding the non-completion of assessment tasks.
