In Week 5 you will sit your yearly English exam. This exam contains two parts, both of which will be based on a short film extract by Tim Burton. You will be viewing this text as part of your exam.

Part 1: Multiple Choice questions **(10 marks) - 10 mins**

- This will assess your knowledge of film genres, camera angles and techniques, and cinematography.

Part 2: Short answer questions **(15 marks) - 30 mins**

- This will assess your ability to analyse the distinctive features of Tim Burton's style and draw connections between the stimulus and your learning this term.

Your class will complete their exam: _____

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases.

The expectation of this task is that you will present to your English class on the due date. If, for some reason, you cannot present to your class, you will be required to provide a medical certificate and arrangements will be made for you to present to your class teacher at an alternative time.

Failure to follow the above procedures may result in a zero award.
