Assessment Outline

To enhance the knowledge and understanding acquired through studying childcare.

This is an in-class assessment. You will watch an episode of 'Bringing up Baby' and complete questions after watching it.

This episode compares 3 influential child care methods to see which is best. It explores 6 families' experiences as they apply the method they think reflects their values and lifestyles. Every parent decision they make will come from their chosen method for 3 months.

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both classes.

Plagiarism:

Plagiarism, the using of the work of others without acknowledgement will incur serious penalties and may result in zero award. Any cheating will also incur penalties.

Failure to follow the above procedures may result in a zero award.

The policies and procedures that are outlined on the ROSA booklet will be followed regarding the non-completion of assessment tasks.
