Course Outcomes:

MA5.2-4NA: Solves financial problems involving earning, spending and investing money as well as problems involving compound interest.

MA4-5NA: Operates with fractions, decimals and percentages.

MA5.2-2WM: Interprets mathematical and real-life situations, systematically applying appropriate strategies to solve problems.

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases.

Plagiarism:

Plagiarism, the using of the work of others without acknowledgement, will incur serious penalties and may result in a zero award. Any cheating will also incur penalties.

Failure to follow the above procedures may result in a zero award.

The policies and procedures that are outlined on the ROSA booklet will be followed regarding the non-completion of assessment tasks.
