Assessment Outline

You will be creating a virtual museum about **The Crusades (1095-1291 BCE)**.

It will display four primary sources (historical text, artwork, inscription, artefact or archaeological remains, including buildings.)

Each source will, in PEEL paragraph format, have a short description and provide a clear judgement of what can be learnt from it and why it is important to the study of The Crusades overall. (200-250 words each).

A bibliography, showing your research, is also to be included.

Outcomes to be Assessed.

HT4-3 describes and assesses the motives and actions of past individuals and groups in the context of past societies.

HT4-5 identifies the meaning, purpose and context of historical sources.

HT4-8 locates, selects and organise information from sources to develop a historical inquiry.

HT4-9 uses a range of historical terms and concepts when communicating an understanding of the past.

HT4-10 selects and uses appropriate oral, written, visual and digital forms to communicate.
