Assessment Outline

Task 1: Viva Voce Interview – 10 minutes -15%

Research:

Select a topic from the aspects of study pages in the Stage 6 Music 1 Syllabus. This topic needs to align with the piece you are performing. You will need to specialise in this topic area.

You will need to explore some historical content, style and technique. Base your research around musical examples using the **Music Concepts** and how these are employed in your topic area. Relevant music examples (about 3) should also be included to demonstrate your understanding of the research.

Viva Voce:

Provide a statement of your study, for example, *Emotion in movies is accentuated by a soundtrack*. From your research you are required to present a 10 minute talk about your topic. You need to provide a *Viva Voce Outline Summary Sheet* outlining your area of study (These are dot points which will guide your talk). Remember this is concepts based and you must provide live examples. Make sure these can be played using your device that links to the sound system. You can also demonstrate this by playing your instrument live.

Task 2: Performance:25%

Perform one piece that displays your solo skills as a musician. Time limit: 5 minutes

The Viva Voce and Performance will be performed one after the other. You may choose which task goes first.

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both classes.

Plagiarism:

Plagiarism, the using of the work of others without acknowledgement will incur serious penalties and may result in zero award. Any cheating will also incur penalties.

Failure to follow the above procedures may result in a zero award.

The policies and procedures that are outlined in the NESAs booklet will be followed regarding the noncompletion of assessment tasks.
