### Assessment Outline

#### Listening – 15%

Research an Australian musician of your choice. Your research should be style based and refer to the use of the concepts of music. You will need to include a detailed analysis of one aural excerpt by the musician of choice with reference to all six music concepts.

#### Performance – 10%

You are required to perform a piece of music for your instrument or voice of choice. Your piece needs to demonstrate stylistic awareness, expression, technical skill and the role of the soloist. Your performance time should not exceed 5 minutes. Ensure you practice using the equipment provided.

Practice time will be allocated during class time but your success will rely on additional practice. The music rooms are available to you before and after school and during recess and lunch by appointment only.

#### Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both classes.
