

ORANGE HIGH SCHOOL

ASSESSMENT TASK NOTIFICATION

Subject	Science Mid-Course Examination
Year	9
Weighting	40%
Date and school week	27 th to 31 st of May, Week 5A (classroom teacher to give the exact date to their class)

Assessment Outline

Written Examination Task. To be completed in your normal classroom, as per the Year 9 ROSA assessment schedule.

50-minute test under examination conditions. Comprised of 20 multiple-choice questions, 15 one-word or phrase short answer questions and 4 extended response questions.

Questions can be asked on any of the below topic areas.

Physical World (all of the topic area plus practical tasks and skills)

Chemical World (all of the topic area plus practical tasks and skills)

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your classroom teacher. If you are away on the day of the examination, you must catch up with your classroom teacher on the first day you return to make alternate arrangements to catch up on this task.

Failure to follow the above procedures may result in a zero award.

Outcomes Assessed

SC5-10PW Applies models, theories and laws to explain situations involving energy, force and motion

SC5-11PW Explains how scientific understanding about energy conservation, transfers and transformations is applied in systems

SC5-16CW Explains how models, theories and laws about matter have been refined as new scientific evidence becomes available

SC5-17CW Discusses the importance of chemical reactions in the production of a range of substances, and the influence of society on the development of new materials
