- **Part A: Fitness Booklet (28 marks)**

Over seven days, each day, record how much physical activity you do. Students complete the Fitness Booklet. This booklet can be presented digitally (via OneNote) or as a hard copy.

- Section 1: Complete the table and record what physical activity you do, for how long, the level of intensity (light, moderate or vigorous) and what/how you were feeling at the time. Complete this on the weekly physical activity record worksheet. (5marks)
- Section 2: Answer the questions on the Weekly summary worksheet. (7marks)
- Section 3: Answer the questions on the Physical activity goals worksheet (16marks)

- **Part B: Physical Activity Campaign (19 marks)**

Individually design a Physical Activity Health Promotion Campaign, to raise awareness and promote healthy behaviours to secondary school aged students. Ensure that you cover all the questions below:

- 1) Decide on a goal for your campaign. Consider what **TWO** things you would like to achieve. (2 marks)
- 2) Decide on **TWO** key messages for your campaign. (2 marks)
- 3) Develop **ONE** strategy that you will use for your campaign that will convey the key messages you have selected (above). These strategies must be suitable and accessible to your target group (secondary school aged students). Some suggested strategies may include: (15 marks)
 - poster
 - flyer
 - infographic
 - pamphlet
 - video (visual advertisement)
 - slideshow presentation
 - audio advertisement (which could be presented over the school PA)
 - campaign merchandise
 - An App

The strategies must include:

- Relevant health information including statistics (useful websites include: <https://www.health.gov.au>, <https://www.abs.gov.au/>, <https://www.aihw.gov.au/>)
- **Three** health tips which students could follow that would support healthy behaviour
- The details of **two** relevant support agencies including a short summary of the services they provide.
- Ensure that your campaign is appealing and engaging

MUST SUBMIT THE PART B: PHYSICAL ACTIVITY CAMPAIGN TEMPLATE

Outcomes/Content Assessed:

HSAL 2. How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?

- Design, implement and evaluate creative interventions for enhancing their own and others' fitness levels and participation in a lifetime of physical activity.
- Evaluate strategies and actions that aim to enhance health, safety, wellbeing and physical activity levels and plan to promote these in the school and community.
- Create and evaluate health campaigns, programs or mobile applications that aim to promote fitness or participation in a lifetime of physical activity

Key Terms:
