Task Description: Composition 64 bars in length, Composition Diary, and Analysis of 2 works.

Task 1: Composition 15%

You are required to compose a 64 bar piece of music for classical instrumentation. Draw from your learning about the Classical Period. Create a theme or short melody and develop this in your piece. Apply as many of the music concepts to this piece of music as you can.

You will need to use traditional music notation conventions. You may use Finale, or other composition tools, to assist you with this task. Your composition should display a title and your name.

Finally, you must record your composition in PDF Format.

Diary: 10%

You will be required to present a portfolio for marking. This is like a diary and you will need to provide evidence about the processes you applied to create your composition. You should show all working even if you have decided not to pursue an idea. Please provide the date of each entry in an A4 book.

Task 2: Aural Analysis 15%

Using a table, analyse two works. **One** work from the **Romantic Period** and **one** work from the topic **1900-1945**. You must base the table on the 6 Concepts of Music as well as an **extra column for Compositional Techniques**.

If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both classes.
