### Assessment Outline

#### Task Description & Requirements:

Select ONE SECTOR of the Australian agri-food chain. Research ONE organisation or company within that sector under the following headings:

- a) Describe the activities and level of operation of the organisation or company
- b) List the products produced by the organisation or company
- c) What forms of mechanisation are used by the organisation to achieve the end products
- d) Name at least TWO recent developments within this organisation or company
  - (i) Describe in detail EACH development
  - (ii) Identify the important reasons behind the developments
  - (iii) Discuss the impact of ONE development on any or all of the other sectors of the food industry
- e) Describe any environmental considerations, policies or procedures that the organisation has in place to ensure environmental sustainability and/or awareness.

NB. Diagrams, charts, tables or illustrations should be included where appropriate.

#### Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both classes.

#### Plagiarism:

Plagiarism, the using of the work of others without acknowledgement will incur serious penalties and may result in zero award. Any cheating will also incur penalties.

**Failure to follow the above procedures may result in a zero award.**

**The policies and procedures that are outlined on the ROSA booklet will be followed regarding the non-completion of assessment tasks.**
