

ORANGE HIGH SCHOOL

ASSESSMENT TASK NOTIFICATION

Subject	PDHPE
Topic	Road Safety
Class Teacher	
Head Teacher	T.Dray
Date Given	Week 4
Date Due	Term 2

Task Description: You are to read/view, analysis, research and present written communication. The information below must be approximately 500-550 words. **THIS WILL OCCUR DURING YOUR CLASS TIME IN WEEK 6.**
YOU WILL NEED A DEVICE FOR THIS TASK.

PART 1

TASK DESCRIPTION: Analyse the current NSW Road Safety Campaign at <https://towardszero.nsw.gov.au/>

1. Download the Road Safety Plan 2021 (PDF document) from the link in the menu.
2. Describe the features of the Towards Zero Campaign.
3. Choose TWO pages that you find most compelling. Describe the content of these pages and explain why you find them to be effective.

PART 2

TASK DESCRIPTION: Explain the Safe System Approach and summarise the **four key areas**.

FOR EACH AREA (ROADS, SPEEDS, PEOPLE, VEHICLE) answer:

1. What is the reasoning behind focusing on this area?
2. What is proposed to make changes in this area?
3. Do you think these changes will be effective? Why or why not?

Outcomes/Content Assessed:

PD5-6: A student critiques contextual factors, attitudes and behaviours to effectively promote health, safety and wellbeing

PD5-7: A student plans, implements and critiques strategies to promote health, safety and wellbeing

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases.

Plagiarism:

Plagiarism, the using of the work of others without acknowledgement will incur serious penalties and may result in zero award. Any cheating will also incur penalties.

Failure to follow the above procedures may result in a zero award.

Question	5	4	3	2	1	0
NSW Road Safety Campaign	Extensive description of the Towards Zero campaign	Thorough description of the Towards Zero campaign	Sound description of the Towards Zero campaign	Basic description of the Towards Zero campaign	Limited description of the Towards Zero campaign	Non-attempt
NSW Road Safety Campaign – 2 PAGE SELECTION	Extensive explanation and description of the content in the two pages you selected	Thorough explanation and description of the content in the two pages you selected	Sound explanation and description of the content in the two pages you selected	Basic explanation and description of the content in the two pages you selected	Limited explanation and description of the content in the two pages you selected	Non-attempt
Safe System Approach - Safe Roads	Extensive explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Roads Approach will be effective	Thorough explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Roads approach will be effective	Sound explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Roads approach will be effective	Basic explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Roads approach will be effective	Limited explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Roads approach will be effective	Non-attempt
Safe System Approach - Safe Speeds	Extensive explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Speeds Approach will be effective	Thorough explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Speeds approach will be effective	Sound explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Speeds approach will be effective	Basic explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Speeds approach will be effective	Limited explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Speeds approach will be effective	Non-attempt
Safe System Approach - Safe People	Extensive explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe People Approach will be effective	Thorough explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe People approach will be effective	Sound explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe People approach will be effective	Basic explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe People approach will be effective	Limited explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe People approach will be effective	Non-attempt
Safe System Approach - Safe Vehicles	Extensive explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Vehicles Approach will be effective	Thorough explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Vehicles approach will be effective	Sound explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Vehicles approach will be effective	Basic explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Vehicles approach will be effective	Limited explanation of the proposed reasoning behind the focus area, identification of the proposed change and if the changes in the Safe Vehicles approach will be effective	Non-attempt
FEEDBACK						MARK/30
