| Date of Examination | Term 1 Week 9 (Thur 24/3/22) |
| Weighting | 10% |

Type of Task

- In class - completed on Google Forms (online test)
- The examination will be 30 Multiple Choice Questions (1 period)

Topics assessed:

- **Financial Mathematics: (MA5.1-4NA)**
 - Salaries & Wages, Overtime, Piecework, Commission, Leave Loading, Tax, Simple Interest, Compound Interest, Buying on Terms
- **Measurement: (MA5.1-8MG & MA5.1-9MG)**
 - Converting Units of Measurement, Significant Figures, Scientific Notation, Perimeter, Pythagoras' Theorem, Area (Including circles and sectors)

Required Equipment:

- Laptop (bring a charger if necessary)
- Pens or Pencils for working out
- Calculators

Non-completion of Task:

If you know you are going to be away on the day of examination, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day of examination, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases.

Failure to follow the above procedures may result in a zero award. The policies and procedures that are outlined on the ROSA booklet will be followed regarding the non-completion of assessment tasks.

Outcomes Assessed

MA5.1-4NA – solves financial problems involving earning, spending and investing money.

MA5.1-9MG – interprets very small and very large units of measurement, uses scientific notation, and round to significant figures.

MA5.1-8MG – calculates the areas of composite shapes
