OHS PDHPE - Submission of Drafts

The submission of draft work is encouraged at Orange High School. Drafts allow feedback to occur and encourage student reflection. Drafts enable students to:

- Strive for excellence.
- Respond and act on questioning by a review.
- Appreciate the value of a reader's viewpoint/critique of their work.
- Assess whether or not their work satisfies the intent/criteria of the task.

Guidelines for Students

- Expect a teacher to question and prompt you as to what or how you could refine or improve your work, ("not give you the answer").
- PDHPE teachers will provide feedback on **one draft per assessment**. However, individual staff and students may arrange for additional drafts based on teacher discretion.
- Drafts are to be submitted to your usual classroom teacher.
- Any final draft should be submitted TWO days prior to the submission date. A review process needs to include time for the reader to comment and adequate time for a response to the feedback. Drafts may be submitted closer to the deadline, however, the student must negotiate this with their teacher directly.
- Students should not assume that applying teacher feedback will ensure full marks. As students are incredibly diverse in their ability levels, teachers will seek to provide meaningful feedback to ensure they achieve 'their best.'

Guidelines for Staff

- Ideally a reply to a draft will be given within 48 hours.
- Access to the task and the marking criteria is necessary.
- Reading and critiquing drafts is done primarily by the student's class teacher, if they are not available, all Stage 6 PDHPE teachers are able to read the draft and provide feedback
- Limit your comments – 3 or 4 most important aspects.
- Alert students to missing components.
- Feedback will be reflective of the marking criteria

Teachers are not expected to:

- Spend time 'proof reading' and correcting simple punctuation/grammatical mistakes.
- Rewrite sentences, phrases, provide scaffold sequence of 'to do' steps.
- Grade or indicate any sort of judgment on quality/band/mark.
