A huge thank you to Michelle Barrett for her Principalship of Orange High School while I have been on personal leave. I have mentioned before how fortunate Orange High School is to have such strength in the school leadership team.

I'm sure many of you heard the huge sigh of relief today when the Higher School Certificate concluded with the afternoon Visual Arts. As usual, there have been a number of different reactions to the 2012 examinations. I am confident that many students, staff and parents will be pleased when the results are released on 19th December, 2012.

A number of our 2012 HSC cohort have already received early entry to university. It's very reassuring for students to know what they are doing in 2013 at this stage of the year. Many thanks to Mrs Teitzel, our Careers Adviser, for all of the assistance and support she provided for students and staff in the preparation of the early entry applications.

I am currently reading and commenting on the Preliminary reports. I am very impressed with the work ethic of this cohort of students. Last night I completed 30 reports, and over 80% of these students received Gold Principal Awards for their application and effort in class. Some sound foundations have been laid for the HSC 2013.

Last week, our new Principal, David Lloyd, visited the school and met the staff. David will be attending the next P&C meeting on the 14th November.

M Angus, Principal

2012 2012 2012

Thursday December 6, 10am - 4pm

Orange Function Centre, Eyles St (Behind the BP Service Station)

Exhibits Products Information
