The last few weeks have proved to be a busy and exciting time at Orange High School. We are in the middle of many winter CHS competitions, Astley Cup and rehearsals for the school show. Students are also finishing assessments for the end of first semester and staff are busy preparing reports.

Many students have been able to attend Astley Cup sports as spectators due to the amount of signatures they have gained this year and I must say how well these students presented on the home leg of the competition. Their uniform and behavior was immaculate and I felt proud to be associated with these students.

Later on the same afternoon I was fortunate to watch the athletics on the school oval. All athletes performed well and one of the highlights was watching Jack Saunders win the high jump. This young man is usually associated with music at OHS but jumped an amazing 1.84m to win the event. What a moment for him with all of Orange High behind him.

The last event of the day was the open boys soccer which although the scoreline read 4-1 to Bathurst most spectators knew that one more goal our way would have secured the first round of the Astley Cup for us, but it wasn't to be. OHS will now travel to Dubbo in its quest to win the Astley Cup.

OHS Performing Arts showcases hundreds of students who are rehearsing for the school show next Tuesday, Wednesday and Thursday. The School Show highlights the depth of musical, dance, theatrical and gymnastic/circus skills that students have developed at Orange High School. It's a great way to end the term and I urge parents to attend and support their sons and daughters and to get the word out to the rest of the Orange community about the night of great entertainment.

Congratulations to all of the Year 11 students who received Principal's Gold and Silver Awards on their reports. It is wonderful to see the positive transition that has been made from junior to senior school. For students disappointed with their report parents, please contact the school to discuss your child's progress.

If the enquiry is about a specific subject the Head Teacher of the subject should be contacted. If it is a general inquiry contact the Year Adviser.

## WESTERN YOUTH LEAGUE

In May the Orange representative team featuring four OHS students won the 2012 U16 Boys Western Youth League undefeated and followed that up over the long weekend by winning the County Cup (a round robin between the winners of the Southern, Riverina and Western Youth Leagues), also undefeated.

The photo, taken at the last round of the WYL in Dubbo, shows: Back - Richard Gathercole (coach), Yasin Bildiren, Jarod McKenzie, Chris Gogala, Alex Paterson, Ben Hazzard (captain)(OHS), Robbie Cooper, Brett Hazzard (manager). Front - Jackson Fuda, Tom Gorton, Ryan Milham (OHS), Braden Riles (OHS), Trent French (OHS), Jayden Shea, Tyler Gathercole (missing - Rayne Oliver and Adam Radburn).

## WESTERN REGION CROSS COUNTRY

The Western Region Cross Country trials at Wellington. We had a total of 28 students compete which is an increase in numbers on past years. Each and every OHS student did themselves and the school proud at this event.

Every student was cheered on by their teammates as they ran past the Orange High section of the Grandstand and every student put in their best effort over a challenging course ranging from 3km to 8km. We were lucky enough to witness some of the best sportsmanship ever seen on a sporting field which left many spectators with goose bumps or a tear in their eye. You will have to ask Phil Tyquin about it when you see him in the playground!!

The final wash-up was 13 runners qualifying for State!!! to be run at Eastern Creek raceway early next term. The results were as follows:

- U/18 Phil Tyquin 3rd
- U/17 Angus Parsons 1st
- U/16 Joey Thorley 1st, Chris Warren 7th, Kiel Chapman 9th, Ryan Hallett 10th, Glen Maxwell 12th

### IMMUNISATIONS - THE NSW SCHOOL BASED ADOLESCENT VACCINATION PROGRAM 2012.

Each year NSW Health works with schools to offer the vaccines recommended for adolescents by the National Health and Medical Research Council. In 2012, the following vaccines will be offered:

- dTpa (Diphtheria, Tetanus and Pertussis) – Year 7 and Year 10 students.

A specialised team of nurses will visit Orange High School on **Thursday 2<sup>nd</sup> August (Week 3 Term 3)** to implement this program.

Year 10 students have been given a consent form and a Parent Information Kit. If you would like your child to be vaccinated please complete and sign the forms and return to school ASAP. (Year 7 students should have returned the blue form earlier in the term)

Students if you were in a Malynley Shield team (1 signature/team) or an Astley or Mulvey Cup team (3 signatures per sport per tie), remember to approach your coach to have them sign your diary. Western Area representation is worth 4 signatures and a CHS Knockout team e.g. open and junior football, is worth 1 signature per round played plus 1 for every training session attended! It is up to you to claim your signatures.

#### 110% - A SPORTS MAD VIDEO PROJECT FOR REGIONAL AUSTRALIA.

Two Orange High students are fortunate to be involved in the latest ABC Open film project which involves capturing the passion of Australians who give their sport 110%.

Abbey and Samara thank Jason Belmonte for participating in the ABC Open 110% film project. Luke, Samara and Abbey prepare the camera and sound equipment prior to filming the interview with Jason. For more information and to look at examples on the 110% project refer to: [abc.net.au/open](http://abc.net.au/open) or speak to Luke Wong our regional producer for ABC Open

Samara Lloyd and Abbey Spencer, from the Year 10 Visual Design class will spend the next term working with Mr Luke Wong, Central West ABC Open producer. Luke will be guiding the girls in all aspects of making a short film about someone who gives everything they have got to their sport. They will learn how to plan the make a professional video – from forming interview questions, generating the storyboard, creating a shot list, making an audio recording, lighting, filming, editing and producing. The finished video will then be submitted to the ABC Open Vimeo Group.

Abbey and Samara began the project last week. They asked Jason Belmonte, Orange's very own Ten Pin Bowling World Champion to be their subject. Jason was more than happy to be the person to share his story of what it takes to become the best in the world in Ten Pin Bowling – the passion, effort, guts and determination needed to give 110% to his sport. They spent the afternoon investigating the location for filming and planning the interview.

Jason was soon to be leaving overseas so the girls had to film on Monday night. Over a three hour period the girls interviewed and filmed Jason doing what he does best – bowl. Over the next few weeks they will learn to edit and produce the final product. The finished film could eventually be selected to feature on ABC Grandstand online.

A big thank you to both Jason and Luke for giving *their* 110% to this project. The knowledge the girls will gain from this learning experience will be invaluable to them now and in the future.

Luke, Samara and Abbey prepare the camera and sound equipment prior to filming the interview with Jason.

Abbey & Samara thank Jason Belmonte for participating in the ABC Open 110% film project.
