#### FACULTY NEWS - HOME ECONOMICS

Hello everyone, it is hard to believe that we are over half way through Term 4 and fast approaching the end of the year. After having a significant time away at the beginning of term it is so lovely to come back to school and get back into the swing of things here at Orange High School.

This week our Hospitality students have continued to work hard at catering events. On Monday they catered supper for the Year 6 into Year 7 Parent Information Evening. A variety of sweet and savoury bites were prepared which were delicious and beautifully presented.

All our classes are working hard to get final projects finished and students have been very diligent in completing the End of Course exams in each subject.

Another friendly reminder that invoices have been sent out for elective courses. Fees for our courses are vital for the Home Economics Department to run effectively and be able to offer the variety of learning experiences that are enjoyed by a large number of students at OHS. Your support, for our faculty, by paying any associated fees for courses your son/daughter is competing is greatly appreciated.

I hope you enjoy the photos of our students hard at work and the wonderful products they are producing.

I would like to wish everyone a very Merry Christmas and a safe and restful New Year.

Warmest Regards

#### N Small

#### ORANGE HIGH SCHOOL NEWSLETTER

#### PRINCIPAL'S REPORT

How quickly a new week comes around when you are surrounded by exceptional students and staff. In my role of Relieving Principal this week I have had the opportunity to meet with House Captains as initiated by the Prefect body. The Prefects are keen to reinvigorate the house system at Orange High School. Spending time with the students discussing ideas and planning actions was one of the many highlights of the week. It is an opportunity to watch the development of planning and negotiation skills outside of the classroom.

The student featured in the Central Western Daily this week is Year 7 Grace Corby who has been part of the Riverina Public schools land tour. The band performed at locations around the Riverina and Grace was selected to attend a camp next year.

Whilst on the theme of music our students will participate in a choral workshop at the Regional Conservatorium on Friday and OHS will host a band workshop featuring Richard Gill. Richard has held the position of Conductor of both the Sydney Symphony Orchestra and the Melbourne Symphony Orchestra.

Thirty-six students will leave Orange next week to perform at the School Spectacular. It is also worth mentioning that Atahlia Sutherland is a featured artist so if you have an opportunity to watch the School

Spectacular next weekend, keep an eye out for our students

Year 11 students have been handed their Senior Agreements and are now enjoying the front lawn. There is an expectation that the students will care for the environment and present to the public in full school uniform.

We welcome Mr Lloyd back on Monday and I would like to thank him for the opportunity to relieve as Principal in his absence. I have been truly amazed at the diversity and abilities of our students as well as the amazing work the staff do on a daily basis.

Below is a link to Richard Gill's biography.

 $\frac{http://www.sydneysymphony.com/education/for-emerging-artists/sydney-symphony-sinfonia/message-from-richard-gill/richard-gill-bio.aspx}{}$ 

#### M Barrett, Relieving Principal

#### **ENGLISH NEWS**

This week in English Ms Chloe Raines, who is on her internship with Mrs Maksymczuk, created an innovative and engaging lesson for Year 8 English. 8EN4, who are studying short stories from the crime genre, came to class on Tuesday afternoon to discover a crime scene in their classroom. From this staged scene the students had to look for clues, record them and investigate suspects. Once they had all of the facts of the case, they then had to compose a newspaper article where they presented their version as to what had happened. It is exciting to see such inspirational teaching and learning occurring in the classroom. Congratulations to Ms Raines for such innovation.

#### Kathleen Maksymczuk

#### OPEN GIRLS SOFTBALL

On Wednesday, the Orange High School Open Girls Softball team competed in the Western Area Softball Championships played at Jack Brabham Sports ground.

The girls performed exceptionally well, winning all three games against Canobolas RTHS, Mudgee HS and Blayney HS. The Western Area Representative team was announced with five of our girls being chosen:

Eva Reith-Snare (Year 7), Emily McDonald (Year 9), Georgia Watson (Year 9), Maddie Lisle (Year 11) and Chloe Smith (Year 11). Congratulations girls!

Thanks to Ben Cox and James Cashen for their efforts umpiring throughout the day.

#### **G** Pearson

#### ORANGE HIGH SCHOOL NEWSLETTER

#### ROTARY LUNCH

Lunch with our local Rotary Club of Calare: From left Paul Cox (President), Caleb Giger (Year 9), Connor Donelly (Year 9), Alex Kennedy (Captain), Sean Faucett (Captain) and Peter Gilbank. (Youth Liaison Co-Ordinator).

Every month our school captains, Alex and Sean, are invited to participate in the meeting of our Local Rotary Club of Calare. This endeavour is aimed at strengthening ties between Orange High School and our community. Alex and Sean did an excellent job in informing everyone about what is currently going on at our school, from academic successes to sporting triumphs.

This month's meeting also saw Caleb Giger and Connor Donelly introduced to the club upon their selection for the RYPEN challenge, held this weekend. The pair spoke very well about themselves and what they expect to achieve from the program. They will speak again at December's meeting about experiences and skills they have gained.

We would like to thank the Rotary Club of Calare for their ongoing support of our community and students at Orange High School. The experience that these two boys will gain this weekend is invaluable.

#### Sarah Townsend, Year 9 Adviser.

#### ASSESSMENTS DUE – WEEK 8

Year 12: Ancient History Core Study – Cities of Vesuvius, Business Studies Research, Information processes and Technology Project work, Mathematics In-class test, Senior Science Practical -experiment.

#### **CINEMA UNDER THE STARS: TAKE 2 2014!**

Cinema Under the Stars will be held on Friday, 12 December on the school oval (you may remember it had to be postponed earlier in the year due to bad weather). The Disney blockbuster, starring Angelina Jolie, "Maleficent" will be screened. Gates will open at 6:30pm and tickets for high school students are \$10.

The evening will be a great way to finish the year and the P&C would love as many people as possible to come along. There will be a barbeque and other food available on the night; all you need to bring is something comfortable to sit on.

#### Advertising

If you would like to advertise on the big screen on the night please contact Alison Duffield at <a href="mailto:sduffield2@bigpond.com">sduffield2@bigpond.com</a>. Ads are \$100 and will run in a loop before the movie. Money raised will help offset costs and allow more profits to flow back to the school. The advertising is economical and a great way to support the school and P&C.

A Duffield, P&C
