Over recent weeks it has been exciting to receive news of 2015 Year 12 students being offered early entry to University. There is not a consistent process from the universities notifying schools who has been successful so we rely on our former students to inform us of their success.

I would like to congratulate the students below (and no doubt many more who are currently away) as they have been accepted on their merits, generally through application, interview and grades from Years 11 and 12. Their selection is testament to hard work and diligence.

# Principal's Report continued

One of the privileges of my job is to formally induct the Student Leadership Team comprising of School Captains, Vice Captains, Prefects, elected Year Representatives and House Captains. Leadership is crucially about developing others – there was a challenging quote recently on social media that spoke about a leader not being true leader until that leader has bred another leader. The meaning of course is that leadership is taught, not born, and that there is a clear responsibility on leaders to develop other leaders. The new structure for the 2016 Orange High Student Leadership Team incorporates deliberate leadership mentoring through senior students lead teams of junior students in the implementation of their identified projects. As a result, I believe it will be exciting to watch the commensurate increase in student leadership throughout the school over the coming years. **The notion of talented students being empowered to meaningfully contributing to our school direction and culture is one that appeals greatly. I want to congratulate each and every student elected.**

It was terrific to farewell 24 of our Creative and Performing Arts students to Sydney earlier in the week to contribute to the 2015 School Spectacular. As a result, our students have been this week undertaking rehearsals with 3000 other young people from across the state as they are prepared for the 4 live performances in front of 15 000 people each time at the Sydney Entertainment Centre. The event is one of the capstones of the year for many talented performing artists.

## High Achievers Expo Night

This year, the students in the High Achievers classes were given the opportunity to participate in an additional project to develop their skills in reflection and research.

High Achievers Students in Years 8 and 10 were given the task of completing a self-reflection presentation. This task required students to reflect upon their academic, social and emotional learning during their time in the High Achievers Program.

High Achievers Students in Years 7 and 9 completed an individual research project where they were encouraged to delve into a topic that was of personal interest. This task required students to engage in the process of research and develop their skills in information gathering and evaluation.

During term three, a panel of High Achievers teachers assessed these presentations. A showcase of the exemplary project will be held on Monday 14<sup>th</sup> December in the Orange High School gym. The showcase will feature display of student project work, selected presentations, music and light refreshments. Please join us in the gym from 6pm to 8pm and share in celebrating the achievements of the students from the High Achievers classes.

## Welcome the world to your home!

Why not host an overseas exchange student with AFS Intercultural Programs? We have participants due to arrive in February and they require volunteer host families for their stay in New South Wales.

Make a friendship that can last a lifetime. Participants come for 5 months to 11 months and attend high schools and become an active member of the school, community and your family. They come from countries including France, Germany, Netherlands, Switzerland, Finland, Canada, Japan, Costa Rica, Argentina and Brazil.

If you are interested in going on an exchange overseas we would also love to hear from you to discuss the opportunity of becoming an exchange student.

For more information please call **Sharon Toohey on 02 9215 0077**, [aus.hosting@afs.org](mailto:aus.hosting@afs.org) or contact the AFS Hosting team on 1300 131 736 or visit [www.afs.org.au/host](http://www.afs.org.au/host) to make an inquiry!

# SRC Induction Evening

On Monday, 23rd November, the Prefects, SRC Year Representatives and House Captains and Vice Captains were inducted. It was a lovely evening for staff, students and parents to recognise the achievements of our talented students at Orange High School. Parents were invited onto the stage to pin the Prefect's badges, which was a very emotional and proud moment for all involved.

A hearty congratulations to all students who have been elected and inducted. We cannot wait to see what you accomplish during your tenure!
