NAIDOC celebrations at our school last Tuesday were a terrific success, with many positive comments being fed back to the organising team. **Two highlights of the day were the NAIDOC Assembly and the community/parental involvement in the activities.** Our assembly included a message detailing 'Songlines' - this year's theme from parent Mary Croaker, students didgeridoo performances, Aboriginal dances and musical ensemble performances. It was great to see a wide variety of community members present and involved in the activities.

It has been exciting to welcome over 200 2017 Year 7 students in two groups over the last 2 weeks to high school. **Our newest students quickly demonstrated an enthusiasm for learning and were keen to become orientated to our high school environment.** Particularly pleasing is the speed with which many of the students from different schools form friendships over the two days, exemplified by the mixed uniform groups at the conclusion of the two days.

At the same time as welcoming new students, our most senior students have been completing their HSC exams. Once again, we have been very lucky to have external examiners led by Mrs Julie Peck. Julie and her team always demonstrate caring and considerate approach in what can be stressful circumstances. I know that our Year 12 students appreciate and benefit from the care and consideration demonstrated.

ART EXCURSION

OHS Year 9, 10 & 11 art students enjoyed a fantastic excursion to the Art Gallery of NSW last Friday to see the amazing artworks of Frida Kahlo and Diego Rivera.

Under 16 League Tag Team

Well done to the U16 League Tag girls who represented OHS at the Grenfell Gala Day yesterday. Both teams played very well and were complimented on their skill and also how professional they looked in uniform.

A big thank you to Emily and Tamika who helped to coach and lead the girls on the day, a true display of sports leadership.

Dairy Australia Cows Create Careers Program

Last Thursday, students from Year 9 Agriculture classes travelled to Cowra to participate in the 'Dairy Australia Cows Create Careers Program'. During Term 3, students worked in teams to produce a model or video as well as a variety of written components for the project. There were 210 schools and close to 20,000 students in the competition! Congratulations to Miranda Eyb & Jordan Baxter who won 3rd place in the state for their work, with an amazing score of 90/100! Our combined project scores meant that OHS won the overall state senior section with an added bonus of \$500 prize money! Well done to everyone involved!!

Mental Health Expo

Last Wednesday, Year 9 & 10 students had a fantastic time at the Mental Health Expo held at Orange TAFE
