Welcome to Term 4 at Orange High School. The school is very much back into the routine of teaching and learning and it is good to see the school settle quickly.

**It has been great to see our Year 12 Students continue to come into the school to work with teachers and prepare for their Higher School Certificate exams which begin next week.** The first paper will be English on Monday. While there will no doubt be a sense of nervousness for some at the start, for others it will be a relief to finally get started. All students will complete their second English paper on Tuesday with most finishing their suite of exams over the next three weeks. **We wish them all the best and also thank the many parents and wider family supports who are doing so much in the background to support students during what can be a challenging time.**

**Sharing and celebrating Early Entry to University successes is a complex task each year, due to the staggered manner in which different universities notify successful students.** We will do our best to recognise all students over coming weeks as we hear of their successes. This week we congratulate William Boyd, Gabrielle Lloyd, Lydia Parker, James Cashen, Caitlyn Potts, Elise Sinclair, Logan Rumney, Zoe Theobald, Lucy Cooper, Joe Grindrod and Elise Sinclair who have all been offered early entry to The University of Wollongong.

Last evening, OHS held an evening, which showcased the abilities of our High Achieving students from Years 7 - 10. I was amazed at the depth of their knowledge and creativity. The students put on a wonderful display of their work and it was really pleasing to see many students and parents enjoying the diversity of their projects.

*Callback* is a selection of outstanding performances and projects from Higher School Certificate Dance students. It is coordinated by The Arts Unit, NSW Department of Education held at the Seymour Centre, University of Sydney, on 8-9 February 2018. *Callback* recognises and celebrates students who have achieved highly in various aspects of the externally marked sections of the course. We **congratulate to Logan Rumney for her 'Callback' for Core Composition, Core Performance and Major Study Performance and Pheobe Campbell for Core Performance.**

Congratulations also to our Drama students for their showcase of talent earlier this week. The opportunity, supported and shared by parents and community members, highlighted an amazing array of group and individual performances.

Maaik Riphagen travelled to Harden over the weekend to compete in the Equestrian State Finals, placing 1st in the event. Congratulations.

Congratulations to Ben Hoskins Murphy in Year 7 and Harry MacPherson in Year 12 for their selection into the Regional Youth Orchestra. Students for the Regional Youth Orchestra are selected from outside metro areas and provides further opportunities for student mentorship.

David Lloyd

Principal

## Calare Public student enjoy some Japanese fun at Orange High School

On a very cold day, approximately 80 Year 6 Calare students recently visited Orange High to participate in some Japanese activities. Some Year 8 students also participated in the activities. Students learnt a little kanji and their basic meanings and were then able to put the kanji into a few short sentences. A few of their stories are included in the photos. Well done Calare students, you did a very good job of making these stories.

We all fitted into the Japanese classroom for recess where it was nice and warm. The next activity built on the Japanese numbers that the students had been studying at Calare Public. They very quickly learnt the numbers from 11 to 99 and then we enjoyed a very large game of bingo together. A big thank you to Mr Ostini for his organisation and kanji cards, the Calare teachers for their organisation, 8-1 Japanese for assisting with the activities, Lochie Wheeler (a Yr 11 Japanese student, who spoke to the students about the benefits of studying languages), our Japanese visitor, Junko Goodacre, for assisting with the activities and being a great bingo caller. It was a very enjoyable visit. Thanks everyone. Arigatoo.

## Duke of Edinburgh Bronze Award

Over the school holidays, Alex Matthews, Noah Lamrock, Miranda Eyb and James Cashen embarked on a 2-day hike in the Blue Mountains. In one day, they walked 14kms and climbed over 700 steps on the Six Foot Track near Nellies Glen.

They overcame navigation obstacles and pushed through their barriers. Mr Fennell, Miss Wilcock and two external supervisors assisted the students to ensure their hike went off without a hitch.

They have successfully completed their Bronze Award Adventurous Journey.

## Congratulation Maikee Riphagen

Exciting news for our own Maaike Riphagen, who travelled to Harden over the weekend and competed in the Equestrian State Finals alongside her horse Andy. Their hard work and persistent training paid off, placing 1st in the state event! Well done Maaike!

## Transition from Year 6 to 7

This week we welcomed Year 6 primary students to Orange High to give them a taste of what to expect when they progress into high school. They had a wonderful time with Mrs Nash, learning how to decorate cup cakes and lots of fun dancing with Miss Goodwin.

12 October 2017

### 2017-18 HSC ASSESSMENT INFORMATION EVENING

Dear Parents/Carers

Education partnerships are fundamental for your child's success in the Higher School Certificate. To ensure a clear understanding of the school and state assessment requirements, your attendance at an Information session at 6.00 pm on Monday, 16<sup>th</sup> October, 2017 in the Performing Arts Centre is requested.

We would ask that parents and students arrive at approximately 5.45 pm to sign in and collect the 2017-2018 Higher School Certificate Assessment Booklets that outline all assessment tasks, rules and procedures for their HSC year. It is envisaged that the information session will take approximately one hour.

Information in relation to assessment and the role of the NSW Education Standards Authority (NESA) (formerly BOSTES), will be provided which will include:

- NESA processes and systems leading to a final HSC assessment mark
- Orange High School Assessment procedures, rules, protocols and requirements

It is envisaged there will be time for questions at the end of the session.

It is hoped that you are able to attend the evening, with your child to ensure a full and clear understanding of requirements and processes. As this is the final year of secondary schooling for your son or daughter, the information evening will be very important.

If you require further information, you can contact Mrs Kylie Winslade, Relieving Deputy Principal at the school on 6362 3444.

Yours faithfully

**Mr David Lloyd**  
Principal

#### BYOD AT ORANGE HIGH

Orange High's bring your own device program allows a personally owned device to be brought to both campuses for learning purposes within the classroom.

To help Year 7 parents decide on the most appropriate device, we have recommended the following Windows 10 devices that work seamlessly across the school's network. Upon enrolment at Orange High School, all students will be provided with access to OneNote, Microsoft Office 365 and Web2Tools.

There is no need to purchase Microsoft Office software with the device. The listed prices are a guide only.

Office 365

Crn Woodward St, Orange NSW 2800 (02) 6362 3444 - www.orange-h.schools.nsw.edu.au

## Tuning in to Teens

*Emotionally Intelligent Parenting*

CAMHS are offering a six-session program  
for parents of children aged 11 years and over

**Would you like to learn how to:**

- be better at responding to your teen's anger, anxiety, sadness or other emotions?
- be better at talking with your teen?
- be better at understanding your teen?
- help your teen learn to manage their emotions?
- help to prevent behaviour problems in your teen?
- teach your teen to deal with conflict?

**Tuning in to Teens shows you how to help your teen develop emotional intelligence.**

**Adolescents with higher emotional intelligence:**

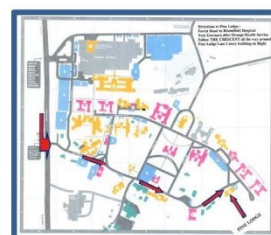

- are more aware, assertive and strong in situations of peer pressure
- have greater success with making friends and are more able to manage conflict with peers
- are more able to cope when upset or angry
- have fewer mental health and substance abuse difficulties
- have more stable and satisfying relationships as adults
- have greater career success

Emotional intelligence has been shown to be a better predictor of academic and career success than IQ!

**When:** Monday evenings, 5-7pm  
**October 16, 23, 30**  
**November 6, 13, 20**

**Contact:** CAMHS 63697320

**Where:** Pine Lodge, Bloomfield Hospital

Health  
Western NSW  
Local Health District  
Child and Adolescent Mental Health (CAMHS)  
Forest Road, Orange NSW 2800
