We congratulate the below cohort of students who are clearly demonstrating their willingness, and capacity, to exercise student leadership at Orange High School. This, combined with their passion for sport and success, can only make for an exciting twelve months. We look forward to witnessing their future achievements as leaders of our school and wish them the best of luck.

Earlier this week the new SRC Team, led by captains and prefects, developed further strategic plans and visions as part of their leadership for 2018. **SRC students in Years 7 to 10 have been aligned with a prefect to collaboratively lead the implementation of their visions throughout the next 12 months.**

Again, the leadership talent and passion to make a difference was obvious to all in the room.

Well done to the SRC team who collectively raised \$703 for Bandanna Day which will be donated to supporting further research into cancer. The following photos show some of the happy smiles created as part of the day.

Orange Youth Forum 2017

On Tuesday 31st October, many Year 9 and 10 students attended the Orange Youth Forum held at the Orange Function Centre.

The focus of the Orange Youth Forum 2017 was Mental Health and coincided with Mental Health Month-October. The message of 'THRIVING not just SURVIVING' was portrayed through the personal experiences of guest speakers Chris Fitzpatrick and Dan Hunt. Chris and Dan both shared their life story and their personal journey with mental health issues. Dan Hunt, a former NRL St George Illawarra Dragon's player, spoke of the importance of seeking support and developing proactive strategies to manage mental illness. Dan's message 'It's okay to not be okay' was positively received by students.

The forum gave students an opportunity to ask questions of guest speakers, socialise and play games with students from other high schools. Students who attended the Orange Youth Forum found the day to be a valuable experience. The Orange Youth Forum was proudly sponsored by Headspace.

Dream Cricket

Some of our OHS Premier's Sporting Leaders were having a ball at Wade Park on Thursday. Our students are part of the leadership team assisting primary students with disabilities, and got involved in physical activity in the form of cricket (DreamCricket). It is so rewarding to see our students encouraging, cheering, helping and showing their true leadership capabilities. Well done team.

School Spectacular Rehearsal

Six of our Drama students were up at 5am on Thursday morning to travel to Sydney. They enjoyed their first School Spectacular combined rehearsal at Qudos Arena.

The Dudley Cup

Our Year 8 Debating Team are now in the semi-final of The Dudley Cup which is a local debating competition organised by Rotary.

They had an amazing day on Thursday - defeating both Orange Anglican Grammar and Orange Christian School. Even though they were defeated in one debate by Kinross Wolaroi, they took away an enormous amount of experience debating against Year 11 students. However, the adjudicator, Mrs Fleming of Kinross, stated that they debated exceptionally well and ended up being the talk of the competition given their age in comparison to most of the more senior competitors.

Next Tuesday, these students will debate against Canobolas Rural Technology High School to secure a place in the final of The Dudley Cup against Kinross Wolaroi at the Ex-Servicesmens Club. We wish them luck next Tuesday! They're also awaiting their next competition in the Premier's Debating Challenge, to hopefully progress onto the state finals at the University of Sydney later in the month.
