Yelena Latter

Dear Parents,

Following a formal announcement by the Secretary for Department of Education, I would like to share that I have been offered and accepted a new role as Director, Educational Leadership. This reshaped leadership position will start in Term 2 2018. The decision to apply, and ultimately accept the role, has been a 51% to 49% line ball call, and the result of much personal consternation over recent weeks. I love Orange High School and it goes without saying that I will very much miss our school and in particular, the students and staff who comprise such an inspiring educational environment.

I am, and always have been, of the view that Orange High School is much bigger than one person. As a result, I am very confident that our school will continue to achieve even higher levels of success into the future due to the collective talents, passion and hard work of students, teachers and ultimately, yourselves as parents.

I look forward to continuing to plan for our future with our schools leadership team over the coming months and will work even harder to ensure a smooth handover to a new leader next year.

I am happy to talk with any parents or community members to reassure them of the schools direction and priorities.

David Lloyd  
Principal

It's halfway through the term already. As I always say to the students "time flies when you're having fun."

The Orange High School 2018 Student Representative Council and Sports Council were officially inducted into their respective roles on Wednesday night. We have a strong and passionate leadership team with great potential going into next year. These students, as our school motto says will "honour the past" and work as a team to "create the future." I would like to thank all the parents for attending the evening to support their children in celebrating this achievement.

Congratulations to our Year 8 debating team after defeating CRTS on Tuesday, arguing the negative side of the topic "More government money should be spent on research". Unfortunately Year 11 students from Kinross Wolaroi School marginally beat them in the final.

# Principal's Report continued

The Indigenous Boys Dance group showcased their talents in front of many eager and enthusiastic students from Canowindra Public School. The boys spoke about their culture, played the didgeridoo and danced for the students.

Well done to Year 12 students who have now completed their Higher School Certificate. I wish them well as they wait for their results and I look forward to seeing them all at the Year 12 Graduation Ball.

End of course examinations are continuing next week and I would like to ensure all students do their best by seeking support from their teachers or Year Advisors if required.

“Leadership is the capacity to translate vision into reality.” Orange High School is built on the foundation of this strong vision, where student learning is always at the forefront of everything we do. Orange High School teachers pride themselves on teaching our leaders to build the capacity of the team, to see their vision tweaked and to continue on a trajectory of growth for the future. This foundation is what we all strive to impart to the students in our school community.

# NDIS Opening Day

Well done to the Year 10 Dance elective class for their performance on Monday at the National Disability Insurance Scheme opening day in the Orange Centrepoint Arcade.

# Dentistry Seminar

Last Friday, Orange High School hosted Dr Noel Ye Naung, Lecturer at CSU School of Dentistry and Health Sciences.

Dr Noel gave an informative presentation to interested students wishing to pursue a career in Dentistry.

### **Change of P&C meeting date to 22 November 2017**

Our normal meeting date of 2<sup>nd</sup> Wednesday of each month clashes, we have altered the date to:

Wednesday 22 November 2017

6:30pm -

OHS Music Centre (this is the Yellow building next to the Carpark).

This will be our final formal meeting for 2017. If you have been thinking I would like to go to a P&C meeting, you are welcome to come along.

The first P&C event for 2018 will be the "Welcome BBQ" for New Students and Families to be held early February.

If you would like further information about the P&C, please contact [secretaryohspsc@gmail.com](mailto:secretaryohspsc@gmail.com).

Thank you

OHS P&C.

To assist parents in the purchase of an appropriate device, we have some examples below, as well as some essential specifications and helpful hints to use when shopping. Every student at Orange High School will receive a full copy of Microsoft Office365. There is no need to purchase additional software with the device such as an antivirus program. We would advise against an Apple device, as not all the features of Office365 are available on Apple products.

#### Essentials

- Battery life - needs to last the school day (6 hours).
- Storage - Minimum 32GB but 64GB or more is highly recommended (GB = Gigabytes).
- Memory (RAM) - 4GB or more is highly recommended.
- Screen size - minimum 10 inches.

#### Things to think about

- **SSD** - Try shopping for a device with an SSD (Solid State Drive). These are much faster than older Hard Disk Drives (HDD) and have no moving parts, making them resistant to shock and movement.
- **Touchscreen** - Students extensively use the program OneNote in the classroom, this benefits greatly from a touch screen as students can draw, and hand write notes right on their devices.
