One of the highlights last week was the swimming carnival. Despite the incredibly hot day, the event had a very positive atmosphere. Particularly impressive were the amazingly talented students who broke significant and long standing records. Equally inspiring were the many students who contributed, had a go and achieved personal bests.

Earlier this week, students in Year 7 completed their BYOD Boot Camp; a workshop with the purpose of inducting them into the use of Information Communication Technology within teaching and learning. I would like to encourage parents to look at the workbooks that can be found on our school website, [\(link\)](#) as they provide a clear snapshot of the ways in which students will be using technology within their classrooms at Orange High School. Although ensuring the Year 7 cohort attain the same competencies in a short period of time can be challenging, these workshops are essential as some students have strong ICT backgrounds while others have very limited experiences. We will be leading ongoing workshops over the coming weeks and if parents would like further support or information, please contact Craig Edwards at Orange High School.

Year 8 Students also had a “refresher” Boot Camp to ensure their developed skills are ready for learning in Year 8 and beyond. The Year 8 book can be found on the school website [\(link\)](#).

Our Senior Student Leadership Team led some Valentines Day fun last Tuesday morning. There were a variety of songs and activities across the school conducted in good humour.

# Student School Photos will be taken next Friday the 24th February.

School photos will be taken next Friday the 24th of February. Students should be in full summer uniform. For Seniors, this includes ties and for Year 12 blazers. All students will receive a photo envelope from their roll call teacher today. You can complete an order for prints online, as per instructions on the envelope, or fill out the envelope and bring it and cash ON THE DAY. You can give it to the photo people when you are having your photo taken. Every student will have their photo taken regardless of whether they have ordered prints or not.

If you are wishing to have family photos completed, please collect the special family envelope form from Miss Huggett in the Science staff room.

Our fantastic SRC leaders shared the love around school on Valentines day! They delivered plenty of hugs, cupcakes, balloons, flowers and songs to some very lucky students and teachers - raising money for the SRC.

## VALENTINES DAY at OHS

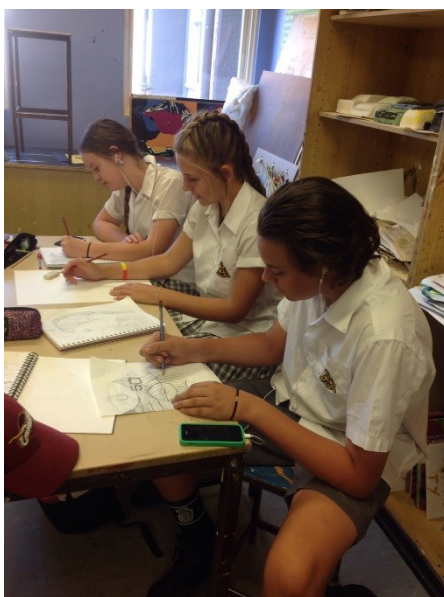

# CAPA Report

On Thursday February 9th, ten of our students accompanied by Mrs Shea Coughlan and Miss Mel Hope, attended a Callback performance at the Seymour Centre in Sydney.

Callback is a dance performance from selected recipients of Band 6 results in the 2016 HSC Dance Practical Exam. Our students found it a very worthwhile and entertaining excursion, and have picked up some ideas for their own personal works this year.

# CAPA Report

The Music Centre has been busy this week with many groups starting new pieces and preparing for the first playouts of the year.

## Concert Band

It was fantastic to see so many Concert Band members at band. Congratulations to Year 7 students who have started in the band over the past two weeks. If your child has not attended, as yet, it is never too late to join in and learn some new music and be a part of a performing band. We have started rehearsing our ANZAC Day repertoire and a beautiful arrangement of Scarborough Fair. Don't forget, Tuesday mornings, set up and ready to play at 8:15 am.

## Stage Band

The Stage Band is reviving some old favourites and it won't be long before we will be looking for an audience. There is no doubt we have some very talented players at our school. Stage Band meets every Tuesday afternoon at 3:45pm to 5pm

## Year 7/8 Band

Year 7/8 Band has started to perform *Lady Madonna* and has amazed us by getting through the whole piece by the end of our session. Last week, this group included flute, clarinet, sax, guitar, trumpet, bass and drums. We will vary the styles as we progress. It is hoped that we will continue to encourage our Stage Band players within this group. We will be looking for a vocalist soon to join us.

## Drum Corps

The Drum Corps had a fantastic group of players turn up for the first rehearsal of the year. This group is always featured in our ANZAC celebrations and leads our school at the march.

## Choir

Choir will commence on Friday, 17<sup>th</sup> February. We had to postpone our first Friday rehearsal due to the swimming carnival. Everyone is welcome to join the choir, no audition required. Just turn up and be ready to sing at 8:15am.

## Manchoir

Any boys, in any year, are invited to join Manchoir. The boys have revisited *Greased Lightning* and were introduced to *Writing's on the Wall* by Sam Smith. We look forward to another prosperous year with Manchoir. 8:15am, Wednesday mornings, be ready to sing!

## PRISM Barbecue and Welcome to New Parents

We would like to invite all PRISM parents and carers to our barbecue on Wednesday 22<sup>nd</sup> February commencing at 6pm at the Music Centre. It is a wonderful opportunity for our budding musicians and parents to meet in a social situation. We especially welcome new parents to the school who would like to find out about PRISM. Please send your RSVP to Alison Cashen by email at [ohsprism@gmail.com](mailto:ohsprism@gmail.com)

Parents of Orange High School Music students...

## You're Invited

- OHS invites you to an evening barbeque where you can meet our music staff, other parents and learn how you can make a valuable contribution to our school by fundraising and assisting with the organisation of Orange High School's Music Program.

We look forward to seeing you on Wednesday 22<sup>nd</sup> February in the recital room of our Music Centre.

## CSU PARENT INFORMATION EVENING

Going to university is a big decision. So Charles Sturt University (CSU) is holding an event where you and your child can find out everything you need to know, including:

- > how to prepare for uni
- > study options
- > help with costs
- > pathways into uni
- > how to apply
- > key dates
- > UAC and ATAR explained.

Our team – and a UAC advisor – will be on hand to answer any questions you may have.

Wednesday, 22 February – 5.30pm
