Quod Potero Sedulo

7th April 2017 : Term 1 Week 11

Orange High School Relay for Life 2017

Relay for Life - Orange High School raises \$6000

Last weekend Orange High School participated in the Orange District Relay for Life event. The event was a huge success with a record number of 101 participants registered as part of team OHS. Mr Schenkel pledged to shave his head if we reached the ambitious total of \$5000. Not only did the SRC raise the required \$5000, they well and truly passed it, raising a grand total of \$6000!

Premier's Sporting Challenge Learning to Lead Day

The Premier's Sporting Challenge included 25 leaders from Years 9 & 10, whose roles were to plan and design the sessions (warm up, drills, modified games and cool down) and 50 students were selected from Year 7 and 8 to take part in the program this year. It was the first time students from Year 7 were included as part of the program. They participated in five different sports throughout the day and it was exciting to see leadership skills developing in our students

Students from Anson Street were included in the day and had a wonderful time. Our kids learnt so much about modifying various activities to suit the needs of all students.

Anson Street teachers were full of praise for our students. They were impressed by our students' organisation as well as their patience and support for the Anson Street students.

Incredible, inspiring, rousing and remarkable are a few of the adjectives that describe the high level of dedication and tenacity displayed by students and staff across the school throughout the first term of 2017. Collectively, we have enjoyed, and celebrated, amazing high levels of success both within and beyond the school. Just a few of the highlights include James Cashen's selection as the Orange Young Person of the Year, the incredible sporting success, including 5 records being broken in the Swimming carnival by Kaitlin Hinrichsen and Lauren Kerwick's first place in the State Triathlon. In terms of academics, our wins at the Regional Round of the Science and Engineering Challenge, and our 3rd and 6th placings in the '2017 Lit Quiz' are well worthy of celebration. In terms of community and cultural priorities, the raising of more than \$6000 for the Cancer Council was a highlight. **Most of all though, we are a school that proudly enrolls and educates students from all ability levels and walks of life. For me personally, most impressive are all our students, who no matter how hard the learning is or how high our expectations are, strive every day to do their best and to be the best person they can be.** Orange High School is the amazing place it is due to the collective energies of students and staff across the school. We appreciate and value the gifts and talents of each and every young person in our care. Thank you to everyone for making Orange High School the contemporary and inclusive place that it is. Thank you also to parents and the wider community for your support throughout Term 1. **We have set the stage for an unbelievable year of student growth and achievement. I look forward to what we will collectively and individually achieve throughout Term 2, and the rest of the year, with excitement and enthusiasm. Have a safe and happy holiday.**

Earlier this week, 25 students from years 9 and 10 planned, designed and led a wide range of physical activity sessions including warm up drills, modified games and cool down procedures for students from Anson Street Special School. Feedback from the teaching team at Anson Street said that their kids had experienced 'the best time' and that they could not praise our students enough, not only for the way they ran the sessions but how inclusive, patient and supportive they were to all students.

This week our Cattle Team are in Sydney competing at the Royal Easter Show. We wish them all the best as they seek to capitalise on their recent success in Canberra and other shows. Best of luck also to Maaikie Riphagen who will be competing in the Show Jumping events on the 19th April at the Royal Easter Show. Like a number of our students, Maaikie is highly talented in dealing with livestock and we look forward to hearing of her success.

Orange High School will once again be commemorating with the Orange Community on ANZAC Day on the 25 April, the last day of the holidays. **We would like to invite all students that they are welcome and encouraged to be a part of our school team by marching in full school winter uniform. We will meet at 10am in Anson Street outside the Ex-Services Club under our school banner.**

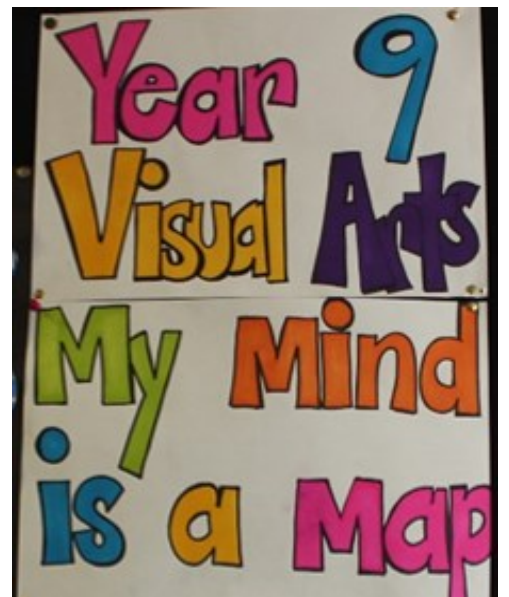

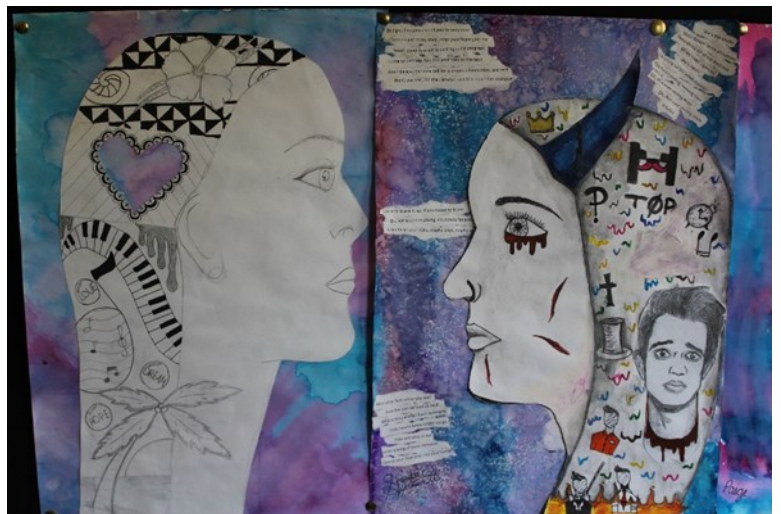

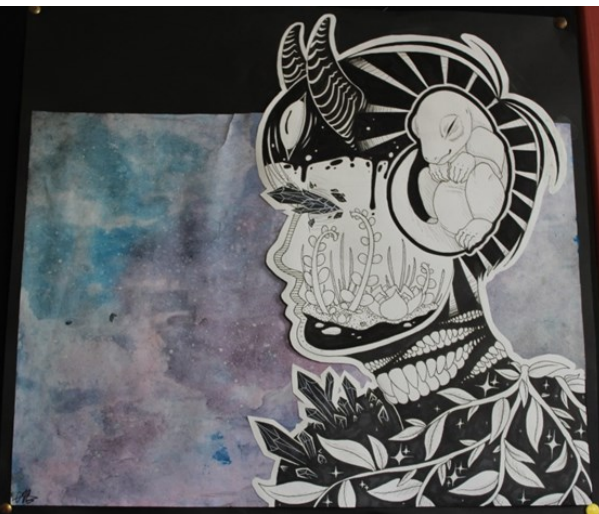

A final reminder that school begins for students on Wednesday 26 April.

Principal

VISUAL ART REPORT

Year 11
Creating a Personal Totem.
 Students chose a symbol, personal to themselves and made an art work combining 2D and 3D elements

THE BUZZ

PBL had a busy end of term. Congratulations to Macquarie House., they earned themselves a reward BBQ and raffle prizes, for obtaining the most PBL tickets this term. Thank you to Mrs Stevenson who organised the awesome prizes.

Congratulations to the winners of the PBL Ticket draw, earning a \$10 canteen voucher:

T Shield – Year 9	C Crouch – Year 7	J Haydon – Year 7	A Yates – Year 8
D Ryan – Year 8	G Reyer – Year 8	E Driver – Year 8	B Blimka – Year 9
O Swords – Year 7	M Gibson – Year 7		

Congratulations to the 'Student of the Week' Winners too.

Crystal Hart, nominated by Mr Blencowe for earning a Gold Medal in learning ladder.

Caitlyn Martin, nominated by Mrs Chopping for supporting students during exams.

Finally, we had our end of term PBL draw at our final Term 1 assembly. Congratulations to M Parker, F Fisher and M Ryan who all won \$20 vouchers to spend in the holidays.

There were many, many PBL Tickets in the draw. Thank you to all students who work hard in class all day every day. Your efforts are much appreciated and rewarded. Well done.

Enjoy the holiday and Happy Easter to all.

Mrs Chopping

SCHOOL HOLIDAY ACTIVITIES @ ORANGE CITY LIBRARY APRIL 2017

Paper Engineers: The Mars Dome

The Mars project is on and CWASA (Central West Aeronautical Space Administration) is looking for engineers to help them build accommodation for astronauts. The geodesic dome has been selected as the most appropriate design. We must build it. CWASA is looking for engineers aged 6+ to help us build it.

Engineers under 8 years need to be accompanied by a senior engineer (adult).

Date: Tuesday 11th April Age: 6+

Time: 10:30 – 12:00

Limited to 20 places. Book Online

Paper Engineers: Mars strong structures

More Mars structures are needed. This time they must be weight bearing to take solar panels and landing pads for supply vehicles. Engineers are required to develop designs that can take weight.

Prizes available for successful structures.

Engineers under 8 years need to be

accompanied by a senior engineer (adult).

Date: Tuesday 18th April Age: 6+

Time: 10:30 – 12:00

Limited to 20 places. Book Online

LEGO club

We are starting a LEGO club and are inviting anyone aged 6+ to sit in and build things with us. Our LEGO collection is in its infancy but it does include an exciting architectural kit. We also welcome donated LEGO.

Date: Wednesday 12th April – Theme: Built on Mars

Age: 6+

Wednesday 19th April – Theme:

Time: 10:00 – 11:00

Limited to 15 places. Book Online

Code Club Origins

We are looking to start a regular Code Club in the new term and this is an introductory session to give potential coders an insight to the creative world of computer code.

We will be using Scratch language.

You don't need to bring a laptop, but if you have one you are welcome to.

More details when you book. This session is limited to 6 places.

Date: Thursday 13th April Age: 6+

Time: 5:00 – 6:00

Limited to 6 places. Book Online

ESSENTIAL INFORMATION REGARDING THE UPCOMING SEASON

Dear Parents/Caregivers,

The netball season is fast approaching and I have few pieces of information for you to ensure a smooth start.

REGISTRATIONS AND PAYMENT OF FEES

All payments must be paid online through direct deposit. Please ensure your child's name is used as the reference.

NO PAYMENTS FOR REGISTRATION WILL BE ACCEPTED AT THE OHS CASHIER. Students will not be considered registered until payment has been received, and thus will not be allowed to take the court until it has been done.

If you are not sure whether your child has paid their netball fees, please don't hesitate to contact. If you have not registered, please direct deposit \$147.50 into the account below-

Acct Name: OHS Netball Club

Bank: Commonwealth

BSB: 062587

Acct Number: 10592117

UNIFORMS

Should arrive the first week back of Term 2, unless we hear otherwise. Uniforms will be available to be collected if payment has been made to the OHS cashier. If they do not arrive, players are to wear their sports uniform.

UMPIRING

Is a compulsory part of our game. Usually, each girl will be allocated 2 umpiring duties for the season for a lower grade. We highly suggest that they have someone with them for that duty, and if they are under 18, they must have an adult who is supervising them at the courts. This is something that you will need to negotiate with your child's coach. **WE ARE HOLDING A COMPULSORY UMPIRING RULES SESSION FOR ALL OHS PLAYERS THURSDAY APRIL 27 FROM 3.30-4.30PM IN THE OHS GYM.** All parents are welcome to attend. This session will be run by experience umpires and will take place of the compulsory umpire lectures run by ONA. If you cannot attend this session, you must let us know.

DRAWS

Will be given to your coach as soon as they have been completed. Information can be found on the Orange Netball Association website.

COACHES AND TRAINING

All trainings take place at Orange High School.

TEAM NAME	DIVISION	COACH	TRAINING DAY/TIME
BANDICOOTS	13R	COURTNEY WILCOCK	FRIDAY: 3.35-4.30PM
