21st July 2017 - Term 3 Week 1

OHS under 16 Rugby League team are Tom Kemp Shield winners

Congratulations to the under 16s Rugby League team!

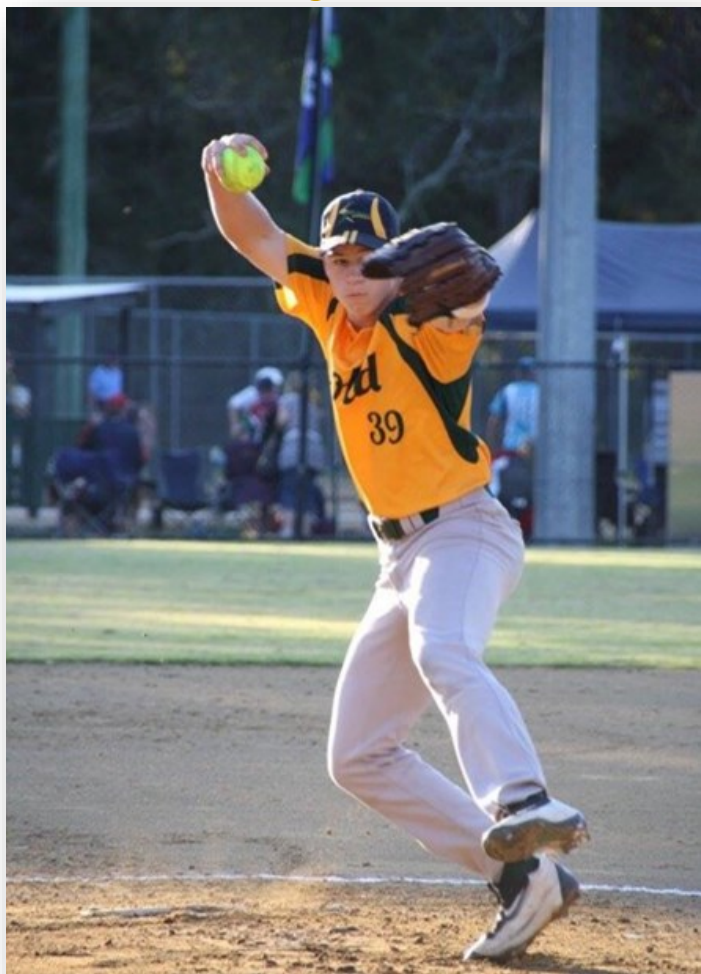

After a big win against Bathurst High in the final of the Tom Kemp Shield, the boys won the shield for the second year in a row. Congratulations boys!

Jack Kelly, Ryan Manning, Mr Lloyd, Isaac Lettice and Kyran Ah-See proudly returning the shield to Orange High School.

Congratulations Tom Zeylemaker

Year 12 student, Tom Zeylemaker competed with the Australia Gold side in the 2017 International Friendship Series in Queensland two weeks ago.

The Friendship Series is a four day tournament that is also part of the selection process for Australia's 2018 World Championship side.

Throughout the tournament, Tom allowed one hit when he was pitching and didn't allow any runners to score. He had one of the highest batting averages in the team and made no errors during the tournament. The Australia Gold Side went on to win the entire tournament with the help of the talents of Tom and his fellow team mates.

TOM'S STATS:

After 9 games (which was all that was played):

Batting Average=0.529

Fielding Average=1.000 (No errors)

Earned Run Average=0.00

(No runs scored when Tom was pitching)

Scored 9 runs

Girls Rugby League 9's coaching clinic

On Wednesday, Orange High's Rugby League Nines team participated in a coaching clinic lead by three NRL Development Officer Staff.

Through a series of drills and activities, the girls learnt lots of skills they will need ahead of their first carnival this Tuesday in Bathurst. The majority of the girls have never played tackle football, so the clinic was to show them the correct tackling techniques and give them confidence going into the carnival.

Welcome back all students, staff and parents for Term 3. I am sure that all students have had a safe and relaxing holiday and are ready to come back to school and work to the best of their ability. I hope students have read their Semester One reports and reflected on the feedback teachers provided. It is important that all students use this information to improve their learning in the classroom and to be passionate about achieving their potential.

Year 12 have a very busy term. They have reached the final 10 weeks of their school lives. I wish them all the best for their study leading up to the Trials, to completing major projects and in finalising their performance preparations.

I would like to take this opportunity to welcome Miss Lauren Van Beest to the English Faculty and we are pleased that she has joined the staff at Orange High School. She teaches Stages 4, 5 and 6 parents can meet her at the Parent Teacher Night this term on the 31st July.

This term brings exciting opportunities for Years 8 and 10 as they will be able to choose elective subjects for their studies next year. Please try to attend the subject selection evenings, as they provide students and parents with the information required to make these choices. Please call and speak to the Head Teacher Administration, Mrs Rogan, if you are unable to attend.

Congratulations to Elijah Smyth who has just been selected in the 2017 NSW Combined High Schools Rugby League Development Squad. This achievement has Elijah travelling to New Zealand and we wish him all the best.

Congratulations also to Tom Zeylemaker, a talented soft ball player, who competed with the Australia Gold Side in the International Friendship Series in Queensland. His performance was exceptional with one of the highest batting averages on the team and no runs scored when he was pitching. His team fought it out over the four days and as a result of their hard work, won the international tournament. This was an amazing result for the team and an amazing accomplishment for Tom.

Congratulations our Under 16s Rugby League Team who defeated Bathurst High School in the final of the competition late last term. This win secured Orange High School the shield for the second year in a row.

This week, Orange High students were invited to perform their cultural dance piece at Orange Aboriginal Medical Service (OAMS) for various community services. This is a small sample of how these students represent Orange High in the local community. Congratulations to all students who performed and Jacob Sutherland for his help.

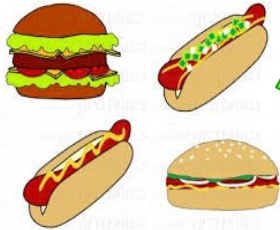

To conclude, I would like to end with this quote 'Develop a passion for learning, if student's do they will never cease to grow.' Every day at Orange High School, staff foster this approach to their teaching, caring for students and teaching students to believe in themselves and take every opportunity that comes their way.

Best Wishes
Helene Hamilton
