Congratulations to our 130 Year 12 students who have completed their formal lessons at Orange High School this week. After attending Orange High for approximately 7 hours a day, 200 days a year, for the last 6 years, they have reached the pinnacle of their school career. Their last week has been packed with plenty of activities, events and celebrations including an assembly led by Year 12, a whole school disco, a trivia night, a gender bender day and a mystery tour.

As a school, we would like to wish Year 12 well as they transition to full-time study mode to prepare for their final external HSC exams in Week 2 next term. Teachers look forward to continuing their support and nurturing our students over the next three weeks as they refine and finalise their examination preparation.

Congratulations to both the boys and girls touch teams for their respective wins in the All Schools Carnival held this week. The girls beat St Marys 2 -1 and the boys won against Kinross 3-2.

Also, congratulations to all six of the OHS Netball teams who made it to the grand finals which were held last weekend.

Following the devastating news of a dog attack at Canobolas High School, the students from the OHS Agriculture Team donated a Galloway calf named Molly to the school. Molly was hand raised by our students this year. It was inspiring to see the concern and compassion our students showed for the students and staff at CRTHS and their willingness to help out. They were all very grateful to have Molly as a new addition to their Agriculture plot.

Finally, I would like to wish everyone a safe and happy holidays. Term 3 has been incredibly busy but as usual, both successful and rewarding, with our students achieving academically and in sporting and other extra curricula endeavours. I look forward to Term 4 which starts on Monday 9th October.

David Lloyd
Principal

Year 7 Aussie Bush Camp Excursion

Year 7 have just returned from a three day adventure at The Great Aussie Bush Camp at Tea Gardens.

Everyone had a lovely time, getting to know each other and taking part in lots of fun activities. They participated in many activities including archery, the giant swing, high ropes, the mud world obstacle course, kayaking, commando spot lighting and beach games.

The students worked on their team building skills and developing positive relationships with each other. They enjoyed spending three days away from home in the beautiful weather. Some were even brave enough to immerse themselves in the ocean. I would like to thank Mr Wait, Mrs Nash, Mr Harrison and Miss Croaker for giving up their time to attend the camp and I would like to thank the Year 7 students for the positive way they represented the school while on the excursion.
Mrs Phillips.

Woodstock and Eugowra Cattle Shows

Term 3 in the cattle team is normally our one term off to have a rest and gear up for the next show season. That all changed this year when our partner stud, Monreith Galloways, suggested we start preparing the heifers for the Canberra Show in February 2018 and maybe take them to a show. Therefore we agreed to do Eugowra show in Week 9. Our heifers had been in work for two weeks when Lachlan River Produce, our livestock transport partners, contacted us with an invite to Woodstock Show in five days time. With a brain saying 'this is crazy' and the show bug saying 'lets do it' we madly clipped and prepped for Woodstock.

Woodstock was an amazing little show. The cattle committee ran junior paraders and junior judging for our students, Jess Elliot, Riley Wotton, Alex Sinclair, Harry Buckland and Tom Middleton. This was a valuable experience as the team spent some time with the judge refining their skills. The cattle were amazingly behaved and was good training for the Eugowra Show. Thanks to Lachlan River Produce for their generous sponsorship of the cattle classes.

Eugowra Show was last weekend. There was lots on that weekend so the team consisted of Tom Middleton, Harry Buckland, Daffyd Vernon, Ryan Buttriss, Emily Kjoller, and Jasmine Frame. The Year 7's had been on camp most of the week and only returned home at 6pm Friday night yet on Saturday morning, the kids were at Eugowra at 7am ready to show. Thanks so much to Kim Buckland who transported the cattle to and from Eugowra. The show was a huge success with our heifer Monreith Moonstone placing 4th in interbreed heifer class. Tom, Harry, Ryan, Emily and Jasmine all made it through to junior judging finals. Tom Middleton was awarded Reserve Junior Judge, while Jasmine received Junior Herdsman Award for overall effort at the show.

Congratulations also goes to Miranda Eyb who exhibited her own shorthorn cattle. She also made the final selections for junior paraders, gaining a place in the junior parading finals at Sydney Royal Show in 2018. She won the junior judging and was awarded senior herdsman award.

Packing up from Eugowra Show the team said "Hey you know Molong show is tomorrow and Cudal is next weekend!" Spring shows have won our hearts and who knows what will be on the schedule next year. We look forward to a few weeks off before kicking into 2018 Show season.

Any students wanting to join the team for 2018 are more than welcome. Training will start Week 1 of Term 4 Fridays 3:45—5pm OHS ag plot contact Ms Campbell for further information.

Touch Football

Congratulations to the girls and boys 7/8s Touch Teams. Both teams won the All Schools Touch Football Carnival. The girls teams played the following teams:

- La Salle Academy (won 7-1)
- St Mary's Wellington (lost 2-1)
- James Sheahan (won 2-1)
- Blayney High (won 11-2)
- St Matthews (won 6-1)

In the grand final, the girls beat a strong St Mary's side 2-1.

The boys won all their pool games against Blayney High, Cowra High, Wellington High, Lithgow High and Kinross.

They progressed through to the grand final and faced Kinross once again. The game went to a drop off and a try by Jack Cole secured a 3-2 victory to Orange High.

Both teams progress to the state final held at Penrith.

Congratulations all.

Netball Grand Finals

Congratulations to all six OHS Netball teams who played in their grand final yesterday. It was such a fantastic outcome for their efforts throughout the season and we know that all OHS teams did their very best on and off the court this year.

RESULTS:

OHS Bandicoots- runner up division 14 green

OHS Blossoms- runner up division 14 red

OHS Buttercups- winners 14 blue

OHS Blazes- winners 15 red

OHS Junior A- runners up 15blue

OHS Bandits- winners Division 2

English as an Additional Language (EALD) News

Last week, one of our EAL/D students, Homa Babayi, was asked to be a guest speaker at a Department of Human Services conference in Orange. Ms Cooper and Ms Kharitos were there to support her as Homa shared her incredible journey of life in Pakistan, and her family migration to Australia.

The organiser, Rochelle Thompson said "Homa is an articulate and wonderfully bright student that Orange High School must be very proud of. All the staff were very impressed with her and we all hope she succeeds at everything she attempts in life!"

Well done Homa.

OHS Indigenous dancers perform at Sky Stories

Our Indigenous dancers performed at an evening of astronomy and storytelling set against the backdrop of Girinyalanha park.

The evening was supported by community partners

Orange Planetarium, Bathurst Observatory Research Facility and Orange Local Aboriginal Land Council

Year 10 Sport Studies

Year 10 PASS students explored Ophir Reserve as part of their assessment for the Outdoor Education Unit completed during Term 3. The students were placed into groups and assessed on the following:

- How well they could read a map and follow track notes.
- Camp site selection and the successful setting up of a tent.
- Culinary skills were tested with the use of a Trangia,
- Wilderness first aid knowledge was assessed.

The students completed a 10km walk with the challenges/surprises completed along the way. Well done to all who completed the day hike from Mr Callaway, Miss Livingstone and Mr Wharton.

NEED FUNDS FOR STUDY AND TRAINING?

FOR ORANGE & DISTRICT STUDENTS

The Country Education Foundation of Orange and District is a community-based association that provides financial assistance and encouragement to local school leavers to move into further education or training through apprenticeships, universities, TAFE or other training providers.

Grants are based on circumstantial need and desire to achieving your goal, not on academic ability.

What funding can I get?

Grants usually range from \$500 - \$2000 and are 'non-cash'. This means they are distributed in the form of reimbursement to cover fees, text books, travel, accommodation, tools of the trade, uniforms, laptops and other costs associated with study. We can even pay an invoice you have sent to us so you are not out-of-pocket!

Who is eligible?

- You will be aged between 16-25;
- Live or go to school in the local area; (Orange, Blayney, Molong)
- Demonstrate financial need; and
- Show commitment to achieving your goal.

HOW DO I APPLY?
Apply online at
