It's hard to think of a high quality superlative that accurately describes the amazing start to learning here at Orange High School this year. **Year 7 have started and settled in magnificently while the transition for all other students to their new year and classes has been very smooth.** The school feels very full and it is with almost 80 more enrolments compared to the same time last year.

Our size has, and will, continue to present challenges such as squeezing into the Gym for whole school assemblies and reconfiguring classrooms to cater for the maximum possible number of students. **Most important though for us as a school team, is the focus on continually expanding and strengthening our strategies to ensure every child in our school is individually known, valued and cared for in such a large environment.** Our Year Advisor Team is working harder than ever and our Peer Support Team leading Year 7 have been amazing at orientating our newest students.

Knowing and valuing each and every individual was a focus of our School Professional Learning at the start of the year and teachers are acutely aware of the need to ensure a nurturing yet academically challenging environment in every classroom across the school. **As part of our actions to ensure support, can I please encourage you as parents to get in touch via email or phone at any stage.** Year Advisors listed below are often terrific first points of contact. Kate Rogan is our Relieving Head Teacher Wellbeing and is available to support students experiencing difficulty or struggling with the pressures of school.

**This year, we have three Deputy Principals who have distinct roles supporting and working with students and their families.** Each brings a range of skills to the role and compliment each other to ensure a diverse yet cohesive Leadership Team. Please be encouraged to be in touch as needed to ensure support for learning and serious wellbeing.

As many people are aware, sadly from my perspective, this will be my last term here at Orange High School. There is currently a recruitment process underway to select a new principal and it is anticipated a successor will be announced around the end of February, ensuring plenty of time for a smooth handover. **The success of our school is a result of a talented and a dedicated Leadership Team who have a strong vision, direction and key strategies in place. Therefore, I have no doubt Orange High will continue to improve every year and achieve even higher levels of future success as measured externally by academic performance, school culture and the individual wellbeing of every young person in our care.**

To assist parents in the purchase of an appropriate device, we have some examples below, as well as some essential specifications and helpful hints to use when shopping. Every student at Orange High School will receive a full copy of Microsoft Office365. There is no need to purchase additional software with the device such as an antivirus program. We would advise against an Apple device, as not all the features of Office365 are available on Apple products.

### Essentials

- Battery life - needs to last the school day (6 hours).
- Storage - Minimum 32GB but 64GB or more is highly recommended (GB = Gigabytes).
- Memory (RAM) - 4GB or more is highly recommended.
- Screen size - minimum 10 inches.

### Things to think about

- SSD** - Try shopping for a device with an SSD (Solid State Drive). These are much faster than older Hard Disk Drives (HDD) and have no moving parts, making them resistant to shock and movement.
- Touchscreen** - Students extensively use the program OneNote in the classroom, this benefits greatly from a touch screen as students can draw, and hand write notes right on their devices.

Orange High School would like to thank Gabby Lloyd for volunteering her time to return to school and her help with the Year 7 BYOD Introductory Program.

We wish her all the best at university and very much appreciate her mentoring and support of our Junior Students.

## Who's up for a 5km Challenge???

Entries are now open for the 2018 Orange Running Festival and Orange High School would like to enter as many students as they can. The Orange Running Festival is an annual event co-ordinated to promote health and fitness and raise money to donate to local charities.

The [Southern Cross Austereo 5km School Challenge](#) requires a minimum of five (5) team members. Each team member must register and participate in the 5km run/walk held on Sunday 25th February 2018 at 10:30am.

General information about the team event:

The prize pool for the Orange Running Festival **Southern Cross Austereo 5km School Challenge** includes the inaugural trophies for the fastest primary and secondary teams and a variety of local business vouchers.

Prizes will be awarded to the fastest primary and secondary teams, the School with the most number of students participating and the fastest teachers team.

Teams require a minimum of five (5) students.

Teams competing in the **Southern Cross Austereo 5km School Challenge** run (or walk) must register in the Hotel Canobolas 5km event held on Sunday 25th February 2018 starting at 10:30am (recommended arrival time is before 9:45).

The start and finish are located at the Bloomfield Leisure Centre, Forest Road, Orange. Bib collection is preferred on Saturday the 24th February 2018 between 11:00am – 3:00pm from Bloomfield Leisure Centre or from 6:30am on race day.

Entry Fees:

(13 and over) \$15.00\*

(under 13) \$10.00\*

*\*Entry fees will remain the same after early bird closes*

More information about the Orange Running Festival can be found at <http://www.orangerunningfestival.com.au>

Any Orange High School student interested in participating is asked to contact the PE Department for more information and application forms.

Students will need to enter the 5km event individually online. If they wish to register as part of the Orange High School team, they will be given instructions and a team password when they contact the PE Department.

**Don't forget students, even teachers can enter a team too. Who will beat who?**  
**Most of all, can Orange High School be the winning school?**
