Quod Potero Sedulo

22nd June 2018 - Term 2, Week 8

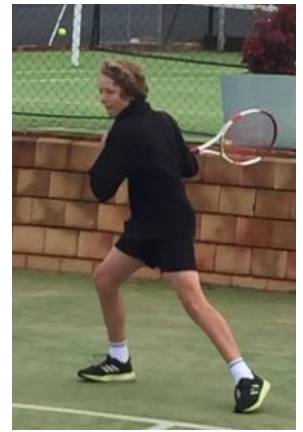

TERM 2 - INDIGENOUS MORNING TEA

Tennis Report

In extremely windy and cold conditions, both the boys and girls teams fought valiantly in Parkes. The girls faced Bathurst High School in the semi finals and lost 2-7. However, the result is not indicative of how close many of the matches were and could have swung our way. Jessica Puxty was a standout on the day, winning her singles match and teaming with Milika Tuinakauvadra in two highly competitive doubles matches. The Lady Hornets then defeated Dubbo College to finish the CHS season third.

The boys faced Bathurst High School in the semi finals and lost 1-8. They then faced Parkes High School and again went down 1-8 to finish the CHS season in fourth place. Whilst it was a disappointing conclusion to a promising season, the team was down half of their starting line up and look to rebound in time for Astley Cup. A special mention should be made of Tom Lloyd who fought hard on every point in each of his matches.

Yelena Latter

Dear parents and members of our school community,

Welcome to the end of week 8. Only a couple of weeks to go this term. We are very much looking forward to Astley Cup next week and the week after and our school show commencing on Tuesday of week 10.

Our staff have been exceptionally busy writing reports which will be distributed in the last week of this term. I would encourage you to mark Monday 30 July into your diaries as our Year 7-10 parent teacher evening will take place in the school gym from 4pm.

Delivery of Grand Piano

I would like to publicly thank the many past and present staff, parents, students and community who have worked so hard over the past five years to raise funds through our PRISM committee for the purchase of a Yamaha SX6 Grand Piano. We had the piano delivered and installed in our Mrs Mickle Music Centre this week. The piano is the first of its kind in Australia and I had the privilege of listening to Felix Benter play a beautiful piece on Wednesday. We are so fortunate to have this amazing resource for future generations of music students at Orange High School. Words cannot express my gratitude to our school community. Thank you!!

**ATSI Morning Tea**

On Wednesday I had the honour of hosting our term two Aboriginal and Torres Strait Islander morning tea. With more than 60 people in attendance, our community was fortunate to see some of the work our Indigenous students have been focussing on over the past term. Congratulations to our wonderful students and the staff who consistently support them to become better individuals every day.

Technology Expo

On Friday and Saturday our technology team will be presenting some of our work at the NSW Regional Technology Expo. The expo is being held at James Sheahan HS and I would thoroughly recommend a visit to over 65 workshops if you are free on the weekend. Tickets for students are free and can be booked through

<https://www.regionaltechexpo.com.au/>

Astley Cup

We are getting ready for our first tie against Bathurst High School next Thursday and Friday. I know you will join with me in wishing all of our Astley Cup team the very best of luck. I am confident our motto Quod Potero Sedulo will be at the forefront of our teams as they participate in this wonderful event.

School Show

Tickets are on sale for our 2018 School Show which will be held on Tuesday, Wednesday and Thursday evenings in week 10. Tickets are only \$10 and can be purchased through the front office.

I hope you have a wonderful weekend and I look forward to speaking with you next week.
With my warmest regards
Chad Bliss

CAPA Report

Thank you to PRISM and our wonderful school community for our lovely new piano. The Yamaha SX6 Grand Piano is the only one of its kind in Australia. Felix Benter gave a beautiful presentation for it's first performance. This piano will be an amazing resource for our music students for many years to come.

Careers Report

GENERAL WHS CONSTRUCTION INDUCTION TRAINING – WHITECARD COURSE

On Monday 18th June, Orange High School hosted Mr Bob Hughes from Allens Training to provide General WHS Construction Induction Training for our interested Year 9, 10, 11 & 12 students.

Twenty students participated in the training. The students learnt about work, health and safety issues in the construction industry and how to minimise the risk of harm. This course is the minimum requirement for setting foot on a construction site and is especially needed for students to complete work experience in the construction industry. Bob provided our students with valuable information about his experiences working in the industry.

The next course will be held at Orange High School on Friday 3rd August.

The cost of the course is \$100 and is limited to the first 20 students to pay.

For a permission note, please see Mr Pearson in the Career Connection Office.

Mr Pearson
