Dear parents and members of our school community

Welcome to the end of week 4. The HSC is all but over with only two exams left for our students on Monday. Physics and Design and Technology are the last two exams scheduled for the 2019 HSC. We are so proud of our students and the effort they have put into their exams over the past month. With the HSC over for another year, our Year 12 students and their families will now turn their focus to the last formal event of their high school journey, the Year 12 Graduation which will be held at the Orange Function Centre on Friday 29th November.

Sustainable Living Expo

Last Sunday students and staff from Orange High School were involved in the Sustainable Living Expo.

OHS students were involved in a Q&A session with special guest Craig Reucassal from the ABC series, War on Waste. Students were asking a variety of questions on sustainability and waste solutions. The students also participated in a waste audit later in the day. Thankyou to our students for your attendance and to the staff who gave up their weekend to make this event a success.

NAIDOC Week Celebrations

Congratulations to the 2019 NAIDOC organising committee for a hugely successful NAIDOC week. Our school had the absolute privilege of participating in the NAIDOC March, the NAIDOC music competition and a range of local activities throughout the week. It was a fantastic week enjoyed by many of our students and staff.

Premiers Debating Challenge

On Monday 28th October our Year 10 debating team defeated Sydney Boys High School in the State Semi Final of the Premier's Debating Challenge.

They are now one of the top 2 teams in the state and will be competing in the State Final on Monday 11th November against Armidale High School in Parramatta. Congratulations to Angela Weckert, Abigail Kittler, Ethan Delaney and Cheyenne Sciascia.

This is an amazing achievement and we are very proud of you all.

Year 7 Transition Program

Last week saw the second half of our Year 7 2020 cohort participate in their two day transition to high school. All of the feedback was very positive and our newest students thoroughly enjoyed themselves and are looking forward to high school next year. If you have any questions regarding your child's transition to Orange High School in 2020, please do not hesitate to contact us.
