25th September 2020 -Term 3, Week 10

## OHS HORNETS

The OHS Hornets have had a stellar end to their netball season in the Orange Association Division 1 competition, taking out the Grandfinal 32-31 over Orange City, the defending premiers. Orange High School had not made a Grandfinal since 2008, and had not won one since 2004!

It was a tough, defensive game, with much pressure applied from both sides which kept the score relatively low for this division. The circumstances of their win were also very similar to their preliminary final, in which scores were even at the end buzzer, but extra time had to be played. Some sharp shooting at the right moment in time allowed them to take the edge over their competition. WD/C Haegan Boland was named as MVP for the match, taking some timely intercepts and controlling the ball down the court.

Well done to the OHS girls Tabua, Milly, Haegan, Keely, Poppy, Lilly, Emily and Megan on this massive achievement, and we will miss our Year 12 girls as we look towards 2021.

Dear parents and members of the school community

As we come to the end of Term 3, thank you students, parents, staff and everyone from the Orange High School community for your ongoing support.

### Year 11

Our Year 11 students have now completed their final end of course exams and are ready to enter term 4 as HSC students. Well done to our Year 11 students on the manner in which you conducted yourselves over the past two weeks of exams.

### Year 12

Our wonderful Year 12 students wrapped up the end of their schooling with a week of activities aimed at bringing them together one final time to celebrate the last six years of their schooling. Staff versus students sport, a mystery day, trivia and a disco were organised by Year 12's fantastic Year Advisors Miss Cassandra Coates and Miss Tegan Dray.

Today, Year 12 had their final assembly. Our parents attended this occasion through a livestream link but were also in attendance in other ways. It was not a typical Year 12 Final Assembly but still very memorable.

Thank you to our Year 12 students for the joy you have brought to our lives over many years. A huge thankyou to the parents and carers for your support throughout the years and to my amazing staff for the dedication, care and compassion you have shown to our Year 12 students during their time at OHS. You will all be greatly missed and we look forward to seeing you for your HSC exams.

## Uniform

I ask for your support to ensure that your children wear correct school uniform every day and students are in full summer uniform from day one next term. Sports uniform is not to be worn to school. Students who have sport or PE are to bring their uniform in their bag and get changed. A full list of our uniform requirements is located on our school website and within this newsletter. I thank you for your support.

## Roll call

Commencing on the first day of Term 4, students will no longer attend Roll Call. A song will start at 9.00am and all students must be in class by the end of the song at 9.04am. Teachers of period 1 will then mark the roll, pass on daily notices and commence their learning. Students arriving after 9.04am will need to collect a late note form the middle office in line with our current policy. We ask that as parents, you support this change and ensure that all students are dropped at school prior to 9.00am each morning. Maximising learning time is very important to Orange High School and we appreciate your support with this change in daily structure.

As we lead into the school holidays and our students are enjoying the warmer weather, I hope you have a fantastic fortnight.

Regards

Andrew Jones  
Principal (Relieving)

## YEAR 10 SPORT STUDIES EXCURSION

Year 10 Sport Studies have been learning about Outdoor Recreation this term. They have learned about preparing your backpack for overnight hikes, selecting campsites, meal planning, navigation and first aid.

Last week, the 3 classes visited Ophir Reserve and participated in a 6km hike, stopping along the way to prepare their lunch using the camp stoves. They followed their topographical map and used compasses to navigate to each check point.

It was a warm sunny day and we thoroughly enjoyed the great outdoors. Thank you Mr Wharton for preparing our learning experience, putting the theory into practice!

Mrs Chopping, Miss Barrett, Mr Wharton and Mr Callaway

# YEAR 7 & 8 FOOD TECHNOLOGY

Last week Year 7 and 8 Technology Mandatory - Food students completed the practical component of their assessment task. Students had to design, prepare and present a healthy meal for teenagers. Students put their cooking skills to good use, presenting a range of delicious meals including tacos, stir-fries, sushi, chicken schnitzels and salads. They also filmed themselves in action, as they are creating a cooking segment video as part of their assessment.

Well done Year 7 and 8!

# DRUMBEAT

Yesterday a small group of students who have been completing Orange High School's first Drumbeat Program, performed for a group of teachers and students in the Music Centre recital room. This performance was to celebrate the achievements of completing the course. The course is a resilience program using the African djembe drums.

This performance included a compilation of the pieces and lessons learned over the term. It was lovely to see the students perform proudly. The students confidently introduced pieces and explained some of the concepts that we have been working on as well as performed complicated rhythms on the djembes. For example, the Respect unit is based on the phrase 'When we give we get, don't forget respect'. We discuss this topic and play a piece of music that is based on the phrase.

It was heart-warming to see an audience of teachers and support staff who were invited personally by the students. The audience joined in on some of the performances and made the students feel comfortable, thank you!

I would like to thank Mr Terry Baker for helping me get this program off the ground at Orange High School, Ms Pauline Frost and the music department for their flexibility and support, the Wellbeing staff for their guidance, the Learning Support staff for organising the students and participating in the classes and Jordon Moore for being a wonderful co-facilitator.

Next term we are offering the Drumbeat Program to a new group of students. We will keep you posted.

Ms Justine Squire

Music teacher and Drumbeat facilitator

## **Evelyn D**

Drumbeat was good because everyone worked together and I liked drumbeat because we learnt things about each other.

## **Skye B**

Drumbeat was good because I learnt more about my classmates. I liked drumbeat because it was fun and we learnt about each other's rhythms.

## **Skye W**

What I like about drumbeat was when one person was blind folded in the middle and had to pick the one person playing their own beat from the others.

## **Jake A**

I like drumbeat because everyone joined in.

## ENCORE

Harry Cummins and Annabelle Sattler have been nominated for possible inclusion in ENCORE.

ENCORE is a program of outstanding performances and compositions by students from the Higher School Certificate Music examinations. Music syllabuses for the Higher School Certificate offer students opportunities to develop musical knowledge, skills and understanding and to become adept at performing and composing in a variety of styles and genres.

Paris Robinson has also received a callback nomination.

Congratulations Harry, Bella and Paris on your outstanding achievement.

## YEAR 9 TEXTILES

Mrs Bright's Year 9 textiles class have been making amazing pyjama pants this terms. They are all finished ready for their independent projects next term.

## BUSINESS STUDIES MARKET DAY

Congratulations to our Year 11 Business Studies Market Day champions who were presented with their trophy by Deputy Principal Kristie Anderson.

Together our students raised over \$3200 for Give Me 5 For Kids

### UNIFORM

The wearing of school uniform is a condition of enrolment at Orange High School. We feel that appropriate school uniform is a means of fostering school pride. If you are out of uniform for any reason, you must have a note from home to explain why. This note should be presented to the Deputy Principal before school. The school can assist any student who has difficulty obtaining uniform.

# TERRACYCLE

Orange High School has enrolled in the TerraCycle Recycling Program. It allows for the recycling of everyday items that are not included in our regular fortnightly council recycling collection. Items are collected then posted to a state-wide collection point to be recycled.

Please find attached a list of items that are able to be recycled through our school. Place the items in the bag provided and return to Miss Hope in the TAS staffroom, or to an SRC representative. There is no time limit for the collection of items, however, please encourage family and friends to contribute.

Our SRC representatives will be responsible for the maintenance of the program. Thank you for your contributions!

## WORK AT HORT ENTERPRISES! 2020 School Based Apprenticeship

**Skillset in conjunction with Hort Enterprises are seeking applications for their new School Based Apprenticeship Program to begin in late 2020.**

**Why is a School Based Apprenticeship Right for YOU?**

- School Based Apprenticeships and Traineeships (SBAT) are more than just part-time jobs - they're a great way to set young people up for a career whilst they complete their HSC.
- SBAT's are available to current Year 10 high school students and allow students to commence an apprenticeship or complete a traineeship while at school.
- The Apprenticeship is a 5 Year commitment, which will combine **PAID WORK**, training and VET studies whilst completing Year 11 and 12 so that the student earns an industry recognised national qualification and gain credit towards the HSC.
- Apprentices will commence full-time Stage 2 (3rd year) of their apprenticeship once they have completed Year 12.

**The School Based Apprenticeship on offer:**

- Certificate III - Engineering Fabrication Trade Apprenticeship

These School Based Apprenticeships include 100 **PAID** days on-the-job to be completed prior to the completion of year 12.

**Choosing a School Based Apprenticeship is a great choice. Here's why?**

**EARN WHILE YOU LEARN**

**ENJOY HIGHER LEVELS OF WELLBEING**
