Course Outcomes:

- MA4-1WM communicates and connects mathematical ideas using appropriate terminology, diagrams and symbols.
- MA4-2WM applies appropriate mathematical techniques to solve problems
- MA4-5NA operates with fractions, decimals and percentages
- MA4-10NA uses algebraic techniques to solve simple linear equations
- MA4-8NA generalises number properties to operate with algebraic expressions
- MA4-15MG performs calculations of time that involve mixed units, and interprets time zones

Non-completion of Task:

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases.

Plagiarism:

Plagiarism, the using of the work of others without acknowledgement, will incur serious penalties and may result in a zero award. Any cheating will also incur penalties.

Failure to follow the above procedures may result in a zero award.

The policies and procedures that are outlined on the ROSA booklet will be followed regarding the non-completion of assessment tasks.
