

Orange High School  
Stage 4  
**ASSESSMENT TASK**

**SUBJECT:** Geography

**YEAR:** 8

**TOPIC:** Water in the World **AND** Interconnections

**TASK WEIGHTING:** 25%

**DATE GIVEN:** Week 3

**DUE DATE:** Week 5  
(Class teacher to set date)

**ASSESSMENT OUTLINE:**

In class students will complete an End of Course Examination. There will be three parts.

1. Geographic Skills. This will be multiple choice using a broadsheet.
2. Water in the World. Short answers on various aspects of water, such as natural process and how human beings use water for our purposes.
3. Interconnections, specifically the Tourism Industry. Four short answers using some visual graphics on tourism statistics.

It is recommended you review the course content to prepare.

**OUTCOMES ASSESSED:**

**GE4-5** Discusses management of places and environments for their sustainability

**GE4-7** Acquires and processes geographical information by selecting and using geographical tools for inquiry

**GE4-8** Communicates geographical information by using a variety of strategies

**Non-Completion of Task:**

If you know you are going to be away on the day that the task is due, you must make alternative arrangements with your teacher beforehand. If you are suddenly away on the day that the task is due, you must contact your teacher or Head Teacher on your return to school. Documentation will be required in both cases.

**Failure to follow the above procedures may result in a zero award.**

***The policies and procedures that are outlined on the RoSA booklet will be followed regarding the non-completion of assessment tasks.***
